EVENT LOCATION

Shakespeare Drive Reserve is located in **St Clair, NSW**. It can easily be reached from the M4. There is street parking along Shakespeare Drive adjacent to the park. Please park on the **park side** of the road. Leave space near the playground for the organising team.

SCHEDULE

WEDNESDAY, SEPTEMBER 17

Tee and hole positions will be marked on the ground during the day. Players are welcome to walk around the course before the event. Please be considerate of local residents and park users. Mandos will not be marked - you can assume that any shot shape that goes towards houses would miss a mando. Course available on UDisc - <https://app.udisc.com/applink/course/46273?tab=info>

SATURDAY, SEPTEMBER 20

Cards for round 1 published on PDGA

SUNDAY, SEPTEMBER 21

8AM Check-in opens at HQ - next to the playground. Disc raffle tickets for sale.

8-9 AM Course available to play/warm-up/walk. Course set up may still be in progress.

9:00 AM Player Briefing

9:15 AM Play starts (shotgun start)

12:00 PM approx Round 1 finishes

12:30 PM Start holes for round 2 published on PDGA Live

**** PLEASE BE BACK AT HQ BY 1 HOUR AFTER ROUND 1 FINISHES ****

1 PM (or earlier) Briefing for round 2

1:15 PM Round 2 play starts. At end of your round, please bring your basket back to HQ unless you are on hole 1,2,7 or 8.

3:45 PM approx (at end of round 2) Raffle draw and prize-giving

IMPORTANT INFO

WARM UP

Baskets for holes 18 and 8 are available for putting practice. There is a large grass area in front of HQ that is available for throwing practice - do not throw if members of the public are crossing the area.

CARTS

The course is suitable for carts.

SCORING

Access Code for PDGA scoring: **wizdisc**

It is highly recommended that **all** players on a card score on **pdga.com/score** or via the **PDGA Live** app. At least two players on each card must score. Bring a power bank if your phone will need to recharge before round 2. Please install the app before the event if you don't have it.

EMERGENCIES + WEATHER + DRAINS

A first aid kit will be stored near HQ, please call the TD, Andy in case of an emergency during the round.

We will be following ADG's Bad Weather Guidelines regarding weather.

There are some drains on the course - if your disc is not easily recoverable then ask the TD for help after the round. Play next shot from above disc as normal (no penalty).

CONTACTS

Andy (TD) 0413 45 1964

Andrew (Assistant TD): 0437 091 594

COURSE RULES

We are playing on a narrow public park surrounded by houses and crossed by several paths, there is a little more risk than normal of an accident. Do not throw if you may hit someone.

The mandos on the course are in place for safety reasons - either to protect the public and property or to protect players on other holes.

SECURITY

There will be nobody at HQ during the rounds so you will need to leave excess gear in your car. Please keep an eye on the course infrastructure to make sure that nobody wanders off with anything.

MORE INFO

OUT-OF-BOUNDS

- Many concrete paths and beyond are OB as marked on the tee signs.
- All roads and beyond are OB
- All fences and beyond are OB. If your disc enters private property you must only attempt to retrieve it after the round with the consent of the property owner. There is a small stand-alone fence near hole 6 - this is not an OB boundary.

Only hole 13 has OB boundaries marked on the ground. These boundaries will be marked with string and flags - the line formed between two adjacent flags is the line you should use to judge in/out.

If in doubt take a photo, play a provisional let TD to check at the end of the round.

TIMING

Speed of play is important and will determine the timing of Round 2. Keep your card moving along to prevent any backlogs. The flow of the course and the lack of undergrowth should make for fast rounds.

TEE PADS

Tee pads are mainly dirt/grass/concrete and are marked with whisksers.

NEXT TEE

Please consult the Course Overview to navigate to the correct tee. Always check that you are at the correct tee before you tee off.

WATER/TOILETS

There is no toilet or water facility in this park. Please bring your own water.

There is a toilet at Saunders Park, about 150m from the the tee of hole 12. We are trying to arrange access to this facility during play and should be able to confirm during the players briefing.

There are also toilets at the nearby St Clair Shopping Centre and in Banks Drive Reserve.

We will have a limited supply of water to top up your water bottles at HQ during the event.

MORE INFO CONTINUED

PLAY-OFFS

Play offs will be used to break a tie for 1st place only. Should a play-off be required then the play off holes to be played on rotation will be 1, 2, 7 and 8. As soon as a tie is broken any losing player stops playing and any remaining players continue to the next playoff hole.

CTP

Hole **1** will be the CTP hole for **ALL** divisions **EXCEPT** MPO, MP40 and MA1.

Hole **8** will be the CTP hole for **MPO, MP40** and **MA1**.

There will be a flag and clipboard at these holes and the winners will be determined over both rounds.

ACE POT

\$200 is being offered by **Tyrepower Gladesville** to be split for all aces on the day.

LUNCH

Please take the opportunity to visit one of our food retailer hole sponsors in nearby **St Clair Shopping Centre** for lunch between the rounds. Be back in time for the round 2 player briefing.

DISC RAFFLE

To raise money for equipment (such as today's baskets) we will be raffling off some discs. There are 3 very cool discs and 5 (fairly cool) play it forward discs as prizes. Thanks to ADG, RPM and TD for their contributions. \$5 for 2 tickets, max 100 tickets.
