Important Information

- Tournament Central is at the first pavilion you come across.
- Bathrooms are located as soon as you come through the gate to your right.
- Please reference the image below for parking. You can park anywhere you like this year that is not on the course (left side of the gravel road). With it potentially being wet, please keep that in mind and do not tear up the grass. If parking becomes an issue we will make changes. Contact me if you do not know where to park. Try to carpool if possible.
