**GENERAL RULES & NOTES**

- **2-METER RULE:** The 2-meter rule is not in effect.
- **COURSE MARKINGS:** Areas of the course will be marked in colored paint as follows: OB lines will be marked in WHITE paint; HAZARD lines will be YELLOW; MANDATORY LINES and DROP ZONES will be marked in ORANGE; Defined CASUAL areas will be marked in RED; RELIEF AREAS will be marked in PINK; Areas designated to be of SAFETY concern will be marked in BRIGHT BLUE.
- **OUT OF BOUNDS:** OB areas (including water) are primarily defined by a white painted line or white fabric strap/rope. Where present, white OB stakes may be used as a visual aid. As is standard, the line itself is considered OB. (806.02)
- **OB WATER:** For any area of water designated as OB that is not marked with a painted line or rope, a disc coming to rest surrounded by water is considered OB. (This does NOT apply to discs coming to rest surrounded by water within a designated RELIEF AREA or noted as casual.)
- **HAZARD AREAS:** Certain designated areas are played as HAZARDS and are defined by a yellow painted line. The painted line is considered to be part of the HAZARD. If a disc comes to rest within a HAZARD, the resulting lie is played plus one penalty throw. (806.05)
- **CASUAL WATER:** Players may obtain relief from unmarked casual areas of standing water per PDGA Rule 806.03.
- **AD WALLS:** Ad walls that are parallel to an OB line DO NOT serve as the OB line. The OB line will be defined by a painted line or rope running in front of and parallel to the walls. The minimum distance between the walls and OB line is 1 meter.
- **DROP ZONES:** Drop Zones (DZ) may be provided for certain shots that come to rest OB. Unless otherwise specified, players may re-throw from (1) their previous lie (or tee), (2) from where the disc was last in-bounds, OR (3) from the provided marked Drop Zone area. One penalty throw is assessed no matter which option is chosen. In certain cases, proceeding to the DZ is mandatory after an OB throw. Where this is the case, it has been noted and a PDGA rules waiver has been obtained.
- **RELIEF FROM OBSTACLES:** Players may obtain relief backward on the line of play, without penalty, from temporarily placed advertising assets, permanent sign posts, fairway markers, gopher holes, golf course utility boxes (green plastic fixtures), per PDGA Rule 803.02 (A). As the rule states, "unless greater relief is announced by the Director" instead of only taking the closest lie that provides relief, the Tournament Director has granted up to 1 m relief from the aforementioned assets/obstacles.

- **CASUAL AREAS:** Any appropriate areas, such as wet areas, or areas that could be potentially unstable or unsafe to establish a stance, etc., will be marked in RED and played as CASUAL AREAS. If an area is marked at the beginning of a round it will remain marked for the entire round. Per PDGA Rule 806.03, "(A.) A casual area is an area designated by the director which allows for optional relocation without penalty. A player may choose to take relief if their lie is in that area. (B.) By default, any body of water that is in-bounds and has not been explicitly declared by the Director to be in play is a casual area."
- **CASUAL OBSTACLES:** Per rule 803.01 (B) (1), "A casual obstacle is ... any item as designated by the Director," spectator stakes and ropes that are in-bounds have been designated as casual obstacles, and may be moved and replaced.
- **RELIEF AREAS:** Any appropriate areas, such as active wildlife dens, insect nests, unsafe areas, etc., will be marked in PINK and played as RELIEF AREAS. These areas may be added or removed during the event based on the discretion of the Tournament Director. If an area is marked at the beginning of a round it will remain marked for the entire round. Per PDGA Rule 806.04, "...A relief area is played as an out-of-bounds area with the exception that no penalty throw is assessed to a player whose disc comes to rest in a relief area."
- **PLAYER GUESTS:** Players are responsible for friends or family who are spectators and who attempt to join the playing group in violation of CM 4.03.G. Players will receive courtesy violation penalties under 812.C if this occurs.
- **TIEBREAK PROCEDURE:** In the event of a tie for first place after the scheduled rounds of play, a winner will be determined by a sudden death playoff on hole 18 repeating until a winner is determined.
