4	Blue	Prodigy-Orange	3	380	OB surrounded by water / lake deep of basket
5	Blue	Prodigy-Orange	3	304	No OB's
6	Blue	Prodigy-Orange	4	501	OB on or over road right
A	Blue	Prodigy-Green	3	305	OB path (in/on sunken path area) before basket area. Marked with rope and flags, play this area as a HAZARD in which you play the shot where it lies with a 1 stroke penalty added
B	Blue	Prodigy-Orange	4	390	OB swampy area right in front of tee off area (rope and flags designate this OB area). If tee shot goes in this area go to drop zone with a 1 stroke penalty // There is also OB small creek that serpentine throughout the wooded fairway and crosses the fairway twice if you land in this narrow roped/flagged area you are OB and play it 1 meter in from where it was last inbounds with a 1 stroke penalty. Also, the path far left (same path from hole A) is OB and play that path as a hazard the same as it was played for hole A (the path is highly unlikely to come into play)
C	Blue	Prodigy-Green	3	294	OB on or over road past basket (white line on road is OB line) (play normal OB rules with a 1 stroke penalty) / CREEK far left (in or over) is OB play where last inbounds with a penalty stroke or previous lie with a penalty stroke (throw + 1 additional throw from if you were on the tee you could go back to tee lying 2 and throwing 3
D	Blue	Prodigy-Green	3	281	OB on or over road left if you go OB go to DROP ZONE with an added penalty stroke lying 2 and throwing 3 (white line on right side of road is the OB line in use)
E	Blue	Prodigy-Orange	4	375	OB creek winds across hole perpendicular to fairway this creek which is flagged is OB and play normal OB rules 1 meter in from where last inbounds with an added penalty stroke. // Also the road is OB (normal OB rules) but this is highly unlikely coming into play on this hole
F	Blue	Prodigy-Orange	4	431	On or over road (white line on road, where it went out) is OB (normal OB rules) (highly unlikely on this hole)
