Total length: 5020' - All Par 3 - Par 57 - PDGA Rules Apply Asphalt Roads & Lakes OB - Concrete Picnic Pads Safe -
No 2 Meter Rule

1. **300'** - Original basket position. Right of flag/string line down right side of fairway OB. Road left & behind basket, OB. (road/dirt is OB line)
2. **360'** - From tee pad to the long position. Right of flag/string line down right side of fairway and behind basket is OB. Road left and beyond, OB. (road/dirt is OB line)
3. **303'** – From the tee pad, cross the road to the short position. Road and right is OB. (road/dirt is OB line). Re-tee if your disc does not make it over the road. **Paint on 4's fairway, does not come into play for Hole 3.**
4. **254'** – From tee pad to left pin position near the road. Road and left OB. (curb/grass is OB line). Painted line surrounds the basket, from behind and on right side of fairway, it's marked with flags. Beyond the painted line is OB. Watch for players on 5's tee.
5. **170'** – Original short tee pad down to the left basket position on the hill. Lake is OB (lake rock edge/dirt is OB line). **Triple Mando, if you miss Mando, proceed to the drop zone.** You cannot throw over the tree line. The two mandatory trees come together in the middle; you must throw under that crossing and between the two marked trees.
6. **285'** - Tee pad to the original position over the fence. Disc must be left of the line drawn on the wall or re-tee. Coming to rest on the wall between the fence and the canal, right of that line is OB. On the wall in front of the fence, left of that line, play it where it lies. Mark at the base of the wall below your lie if there is no stance on top. (Lake rock edge/dirt is the OB line).
7. **186'** – To basket up the middle from the original tee pad. Only OB is the road and beyond downslope to the right. (curb/dirt is the OB line).
8. **332'** – Long position. Only the lake is OB left. Road and beyond, right, OB. (road/dirt is OB line) **Mando Tree (LEFT) protecting #9 tee pad. Drop zone on the left of that tree. (Marked with flags)**
9. **282'** – Middle of Fairway, new basket position. Road and beyond OB. (curb/dirt is OB line).
10. **247'** – From a painted tee, behind the original concrete tee pad. Come to rest on the dirt island or your OB. Island will be marked with paint; you must be inside painted lines to be in bounds.
11. **290'** – Tee pad is marked on asphalt road near the restroom structure, to new pin position, with OB road behind the basket. **Mando tree (stay left) near #12 tee pad. The drop zone is marked with flags.** Road and beyond is OB. (road/dirt is OB line).
12. **310'** – Long pin, up and left from the short position. Road/parking lot and beyond OB. (road/dirt is OB line).
13. **252'** – Short position. The basket is in a short position in the tree stump. Road and right OB. (road/dirt is OB line).
14. **270'** - Original position up the middle through the tree gauntlet. (Lake rock/dirt is OB line)
15. **232'** – Short Position in the middle. (Lake rock/dirt is OB line)
16. **228'** - Original, straight up the hill at the top through the two Mando trees. **(Drop zone in the middle of the two trees, marked with flags, take your drop anywhere in between).** Next tee back down the fairway to the lakeside.
17. **232'** – From the concrete tee pad to a short basket position on the left tucked in the trees. **Mando tree (stay left) Drop zone to the left of the tree, marked with flags, or re-tee.** (Lake rock/dirt is OB line)
18. **208'** – It's short...it's challenging, it's "The Billy Goat Path". An uphill tunnel with a right hook-on top to the basket. Asphalt roads around the island and island are OB. (Road/dirt is OB line and some flag/string OB line). The other side of the guardrail is OK if not on the road - up to a perpendicular paint/string line running along the road. OB flag/string line behind the basket protecting #19 tee pad.
19. **279'** – Short position. Road and left OB. (road/dirt is OB line) Right of flag/string line down right side of fairway OB.
