# WELCOME!

Greetings Disc Golfers!

Welcome to the 6th edition of the **Greenfoot Energy Dieppe Open – Elevated by Thought Space Athletics.**

We are very excited to host our second A-Tier tournament and to expand this year's event across two courses: **Dieppe DGC** and **RHS Tricky Trail DGC**. For those of you playing, this will also be a great preview and practice opportunity as we prepare to host the **Canadian National Disc Golf Championships in 2027.**

First, we want to take a moment to thank the **Riverview Disc Golf Association (RDGA)**. This event would not be possible without Brad Kelly and his amazing team. Be sure to give Brad a fist bump of appreciation when you see him.

We also cannot thank the **Dieppe Open Crew volunteers** and the **City of Dieppe** enough. Our volunteers have spent millions, maybe even trillions, of hours putting in the work, blood, sweat, and tears to help make this event a true **Player's Experience** (Okay, maybe not trillions, but you get the point). Be sure to give these people a fist bump, too, when you see them.

We are ramping up the Dieppe Open experience in 2026 with several events, disc golf vendors, food vendors, a flymart, and more. Please show your support by attending as many events as possible and checking out the awesome lineup of vendors. Thank you for signing up for the Dieppe Open. It's shaping up to be a great one!

**Disc Golf Dieppe: It's not just disc golf, it's an experience.**

Tournament Director

# BIENVENUE!

Salutations, disc golfeurs!

Bienvenue à la 6e édition du **Greenfoot Energy Dieppe Open – Elevated by Thought Space Athletics**.

Nous sommes très heureux d'accueillir notre deuxième tournoi A-Tier et d'étendre l'événement de cette année sur deux parcours : **Dieppe DGC** et **RHS Tricky Trail DGC**. Pour celles et ceux qui joueront, ce sera aussi une excellente occasion d'avoir un aperçu et de vous pratiquer en vue des **Championnats canadiens nationaux de disc golf, que nous accueillerons en 2027**.

Tout d'abord, nous voulons prendre un moment pour remercier la **Riverview Disc Golf Association (RDGA)**. Cet événement ne serait pas possible sans Brad Kelly et son incroyable équipe. Assurez-vous de donner un petit fist bump d'appréciation à Brad lorsque vous le croiserez.

Nous voulons aussi remercier du fond du cœur les bénévoles de l'équipe du **Dieppe Open Crew** ainsi que la **Ville de Dieppe**. Nos bénévoles ont consacré des millions, peut-être même des trillions, d'heures de travail, avec beaucoup d'efforts, de sueur et de dévouement, afin de faire de cet événement une véritable **expérience joueur** (OK, peut-être pas des trillions, mais vous comprenez l'idée). Assurez-vous de leur donner un fist bump vous aussi lorsque vous les croiserez.

En 2026, nous amenons l'expérience du Dieppe Open à un autre niveau avec plusieurs activités, des vendeurs de disc golf, des vendeurs de nourriture, un flymart et plus encore. Nous vous encourageons à montrer votre appui en participant au plus grand nombre d'activités possible et en allant voir l'excellente sélection de vendeurs sur place.

Merci de vous être inscrit au Dieppe Open. Tout indique que ce sera une excellente édition!

**Disc Golf Dieppe: ce n'est pas juste du disc golf, c'est une expérience.**

Directeur du tournoi

# SPECIAL MESSAGE

## Protect Our Courses

We are lucky to play on two beautiful courses this weekend, and we need everyone's help to keep them that way.

Please respect the course, the property, and the hard work that goes into maintaining it. Take out anything you bring in unless it is placed in a proper garbage or recycling container, and please do not bend, break, cut, or damage any trees, branches, saplings, or natural areas.

A little respect from every player goes a long way in protecting these courses for future events, future players, and the local disc golf community.

Leave the course better than you found it.

Thank you!

**Important:** Every player on the card MUST keep score as per PDGA Rule 808. Score keeping can also be completed using UDisc or paper.

# TOURNAMENT RULES

All PDGA Rules Apply For This Event

## Out of Bounds

**Dieppe DGC:** Most, but not all, OB areas will be defined by rope. OB Water - only water on Hole 2 and Hole 18 will be played as OB. All other water on the course will be played as **casual relief**. Players are responsible for knowing the OB rules as per PDGA 806.02.

**RHS Tricky Trail:** OB will be marked with rope, including areas with water; the only exception will be the 2 holes labeled "road (pavement)" that are OB. No rope will be run along the road. If the disc is fully on the pavement, it will be considered OB. All water at RHS will be OB.

## Hazard

All ballfield areas at Dieppe DGC are considered hazard (not OB).

Players are responsible for knowing the hazard rules as per PDGA 806.05.

## Casual Relief

Discs that come to rest on the drainage rock piles on Holes 4 or 13 (at Dieppe DGC), or directly against any fences on the courses, may be played with casual relief. Relief may be taken to the nearest playable lie, no closer to the basket, without penalty.

# TOURNAMENT RULES

All PDGA Rules Apply For This Event

## Mandatory Routes

**RHS Tricky Trail** has mandatories. Players are responsible for knowing PDGA 804.01 rules.

A. A mandatory route restricts the path the disc may take in the process of playing a hole.

B. The restricted plane is a vertical plane marked by one or more objects or other markers which define the edges of the space.

C. If part of a thrown disc clearly enters into a restricted plane, the player receives one penalty throw. The lie for the next throw is the drop zone for that mandatory. If no drop zone has been designated, the lie for the next throw is the previous lie.

D. If the thrown disc is released on the other side of the restricted plane compared to the rear edge of the marker disc, the player has missed the mandatory. The next lie and penalty are the same as 804.01.C.

# TOURNAMENT RULES

All PDGA Rules Apply For This Event

## End of Round Check-In

All players are required to check in with the Tournament Director immediately after completing their round to confirm that their scores have been properly submitted. Failure to do so may result in scorecard penalties or disqualification.

## Tie-Breaker Playoff Rules

In the event of a tie for 1st place in any division, a sudden-death playoff will determine the winner. The playoff will proceed through the following hole rotation and repeat as necessary:

**Dieppe DGC:** Holes 1, 2, 3, 9, 10, 18 (and repeat if necessary).

**RHS Tricky Trail:** 1, 2, 3, 4, 17, 18 (and repeat if necessary).

For playoffs involving more than two players, the player(s) with the highest score on a hole will be eliminated.

*Example: On Hole 1, Players A and B score a 3 while Player C scores a 4. Player C is eliminated and finishes in 3rd place. Players A and B continue the playoff on Hole 2.*

Tee order on the first playoff hole will be decided at random (e.g., coin flip or disc flip), and will alternate on each subsequent hole.

# PRACTICE ROUNDS
