SCORING

Access Code for PDGA scoring: watagan26

pdga.com/score or via the **PDGA Live app**.

Due to limited phone coverage on certain parts of the property, please start your PDGA scorecard at HQ where there is reception, and you'll be able to submit once you get reception again at the end of the round. **ALL PLAYERS MUST KEEP SCORE.** You can also score on UDisc or on paper if the PDGA scorecard is having issues. This will require the scorer to see Rhys after Round 1 and Round 2, to input them correctly in the PDGA. Please make sure you go directly to Rhys after each round to ensure a quick turnaround (PDGA 808.F). Every player will receive a scorecard at check-in, **please make sure to bring your own pen.**

EMERGENCIES + WEATHER

A first aid kit will be stored at HQ. Be mindful you're in a bush setting, be aware of snakes, spiders, deer, wallabies, wombats, ticks etc.

We will be following ADG's Bad Weather Guidelines regarding weather.

CONTACTS

Broden (TD): 0491 164395

Rhys (ATD): 0407 965 919

Ian: 0422 003 642

LAYOUT

All divisions will play the same layout. We recommend to not bring carts if possible as there is a lot of elevation changes and dragging a cart will be difficult.

TIMING

Speed of play is important and will determine the timing of Round 2. All players please be mindful to keep your card moving along to prevent any backlogs.

ROUND 1 will be a SHOTGUN START starting from 9am. Please check-in no later than 30 mins prior to your start.

LUNCH: A 1 hour lunch break will commence once the last card has completed its round.

ROUND 2 is a SHOTGUN START and is anticipated to start around 1:20PM.

MORE INFO

OUT-OF-BOUNDS

The main property boundary fencing (2m rule applies due to barbed or electric wire) and dams are OB. OB will be supported with red flags or paint or it will be the fence line.

Hole 2 has an OB drainage line beyond the basket.

Holes 8 & 9 have an OB fence (2m rule applies)

If in doubt then play provisional and take a photo for the TD to confirm.

LOST DISCS

Any discs that go over the barbed wire & electric boundary fences **ARE TO BE LEFT UNTIL AFTER THE ROUND**. Especially on Holes 1 and 14. Anyone jumping a fence is trespassing into neighbours property, and may face disqualification from the event. Discs will be retrieved after the round, please speak to Ian or Broden.

MANDO Signs

Mando signs will be marked with a Red arrow tied to a tree. Please check the tee sign to see where the corresponding dropzone is, which will be at the yellow whiskers on the ground and spray painted DZ.

HAZARD

Hazard will be marked with yellow flags

TEE PADS

Tee pads are natural ground, playing from the WHITE flags.

LANTANA

Lantana will be optional casual relief. Please consult with card if you decide to take casual relief backwards in-line to the basket to the next available playing lie.

NEXT TEE

It may be confusing at times where the next tee is. Please consult the Course Overview map and follow the green dotted lines to the next tee. In addition Flags with green flagging tape will be in place to assist. Always check that you are at the correct hole.
