Live scoring will be on

The codes are mso26 for AM day & mso2026 for Pro day

The abbreviation "OB" is used to represent the out-of-bounds rules. There are instances of OB that apply consistently around the course:

A. OB Gravel – There is a gravel road that runs on several holes on the course. If you are surrounded by gravel or across, your disc is out of bounds. Mark your lie up to a meter in-bounds off the OB line or play again from your original line. Proceed with a one stroke penalty.

B. OB Wooden Stakes - Wooden stakes mark OB for hole 14. You may play normal OB rules taking a meter in from the OB. There are wooden stakes for visuals on 18 green but the yellow rope is what defines OB.

C. OB Creek/Lake – there is a lake and a creek running through the course that comes into play on several holes. For both creek and lake the disc must be completely surrounded by water. Proceed to the Drop Zone for indicated holes. On all others, mark your lie up to a meter in-bounds off of OB or play again from your original lie. Proceed with a one stroke penalty.

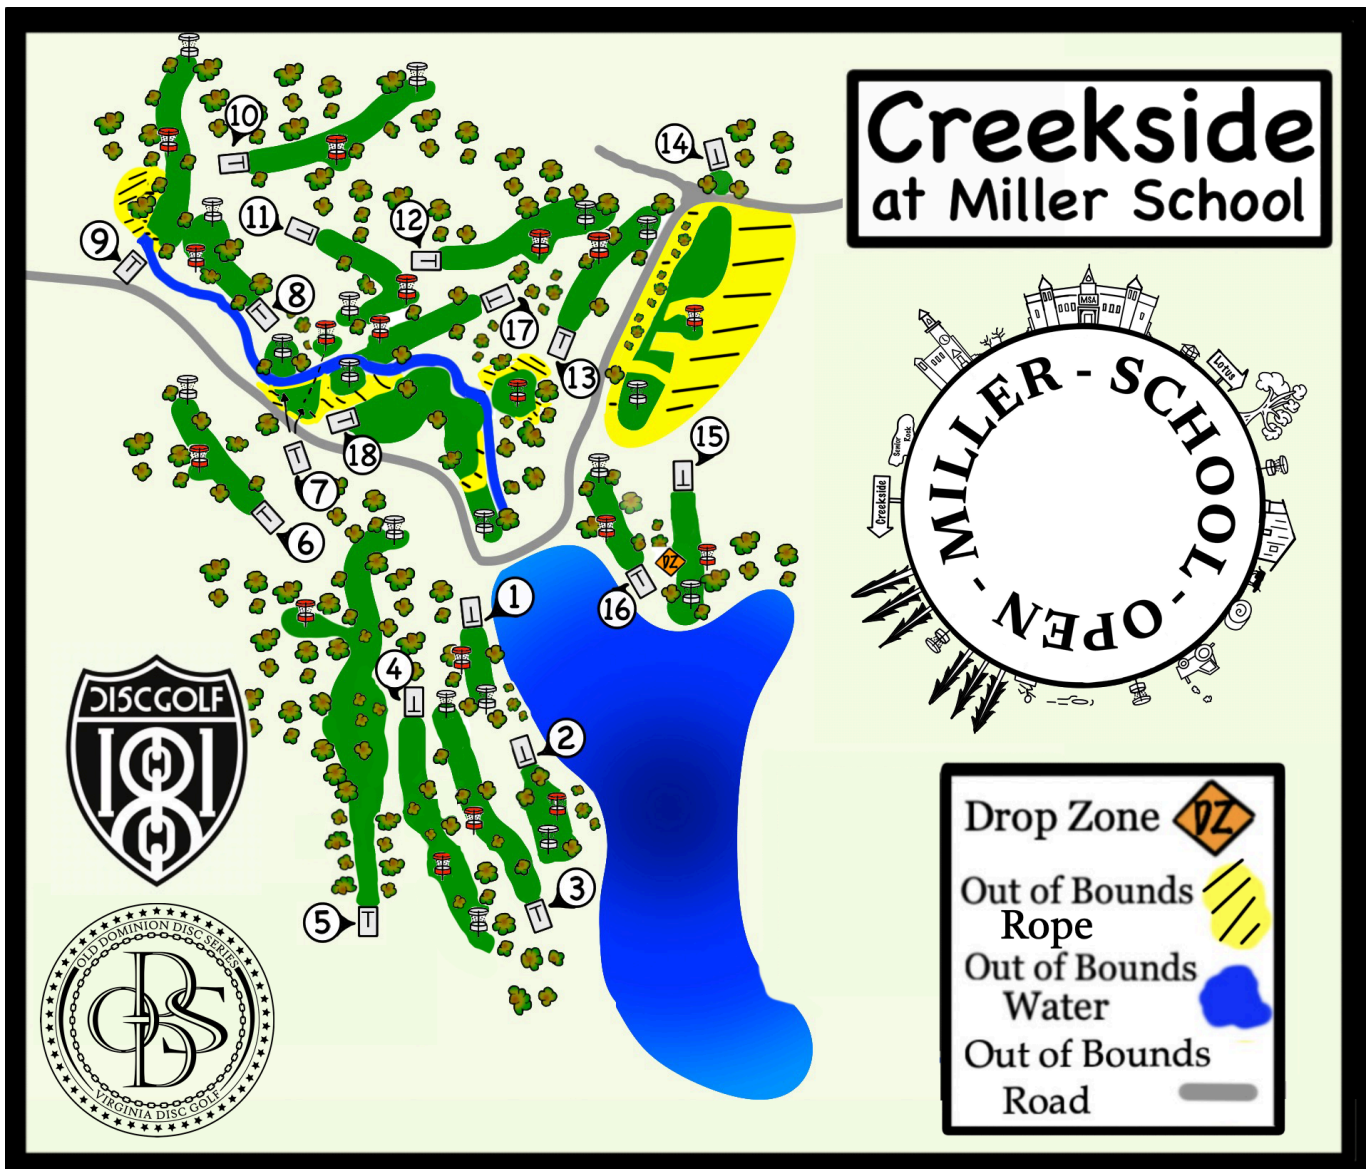

D. OB Yellow Rope - There is yellow rope marking OB on holes near the creek or slopes to better define the outbounds and to provide a safer lie. Holes 7, 8, 9, 17 and 18 have yellow rope. Normal OB rules apply if beyond the yellow rope. Yellow flags are used to indicate where the rope is on some holes but the rope defines the OB.

E. Yellow Jackets and Wasps - Any known yellow jacket ground nests will be marked by orange flags. Players can mark a new lie on the line of play, farther from the target, and at the nearest point that provides relief.

F. Barbed-Wire - Players may take 2 meter relief no closer to the hole from barbed wire fencing found anywhere on the course.

G. Teepads - Players must throw from the turf. The wooden areas surrounding the turf is structural and provides space for follow throughs. Players may not throw from off the turf.

I. Weather plan - Inclement weather - In the case of inclement weather we will blast an air horn to suspend play as per [PDGA rule 1.07 Suspension of Play](#) .
