

# Walnut Creek Caddie Book

Rules for the entire course: All shots landing in the lake surrounded by water or landing on paved surfaces are OB

## General Notes:

- All tee signs in this caddie-book show disc flights from the blue (long) teepad. You will be playing from the green (short) tees, please ensure you're playing from the correct tee at all times.
- Cell Service is very spotty throughout Walnut Creek, consider keeping a paper backup scorecard or using Udisc if this is a concern.
- Walnut Creek is a public park. While we have reserved (and been granted) exclusive use of the disc golf courses at both parks, there will be other members of the public enjoying the park amenities.
- You are representing our sport to these bystanders who may be unfamiliar with the course layout or how disc golf works, please be mindful of this when playing holes and remember the Disc Golfer's Code: "Never throw into a blind area or when players, spectators, pedestrians, or other facility users are within range."
- We will do our best to provide spotters on holes where spectators or other players could potentially be in the throwing lines, however that will be dependent on how many volunteers we have during the day. If necessary, please send someone from your card to spot throws.

- Ticks, poison ivy, and thorns may be present throughout the courses. Please prepare appropriately, no relief is granted for plants.
- Reach out to Kerry Finnegan if you have any questions about the course during play (540) 255-2997

Other Notes: OB lake and “hot tub” (drainage near long pin) surrounded by water. If OB, when throwing for the short basket; throw from where disc was last in bounds. Drop Zones are for Long Baskets Only. If OB from the Tee playing to the long basket, play from the corresponding drop zone. The main lake plays from the drop zone at the entrance to the paths looking down the hill at the basket. If OB in the “hot tub” from the tee shot play from drop zone near the hot tub. Please be mindful of visitors using walking paths. On a nice day, this is often the most crowded section of the park.
