# Wright

## **Wright Construction proudly sponsored our custom “Triple Mandy”, viewable from Tournament Central!**

Wright Construction Western Inc. has been operating in Saskatchewan since 1905 with projects ranging from British Columbia to Ontario. We represent the longest operating construction company in the Province of Saskatchewan and in the City of Saskatoon.

Our commitment to process and technology allows Wright Construction to adapt to ever changing markets. We strive to keep our personnel equipped with the latest technology and training, so we can keep our clients up to date on the status of their project. Wright Construction Western Inc. represents an appropriate mix of modern construction techniques and innovation combined with the more traditional values of respect for the client and superior workmanship.

# General Rules

- 1. No alcohol, tobacco, or marijuana is permitted on the course, even if your card agrees. These are both park rules, and PDGA Rules.**
- 2. ALL roads and parking lots are OB. Most road OBs are marked by the wooden posts; the outer edge of the posts (the edge closest to the road) is the OB line. The Posts themselves are IN BOUNDS, for purpose of 'last point in bounds' or 'leaners'. Parking lots are marked by curbs, where the curb itself likewise plays in bounds. All other OBS are marked by paint. For painted OBs, other markers like flags are only for visual reference and not meant to serve as official OB markers.**
- 3. No Climbing or adjusting fences - NO EXCEPTIONS. Contact TD if needed to obtain discs back.**

- 4. If the proper course of action is ever in question: Throw (and announce) a provisional! Play out both lies, and discuss what happened with a TD/Official, who will make a ruling. Do NOT bring photo/video evidence to a TD, as that is not allowed as per PDGA Rules.**
- 5. If a disc lands in the wrong fairway (and is not OB), the player on the higher numbered hole has priority/right of way.**
- 6. Although we have rented the park, it is still a public park. Contact a TD if there is an issue. Give other park users the right of way, and only throw when it's clear.**
- 7. Use the main parking lot, or the parking lots by the river. Do not park on the roads, even where it is 'normally' permitted. Signs will point you to the correct place.**
- 8. Pace of play is important, and is also a rule. Please don't make us put anyone on a clock.**
- 9. Keep this caddy book handy for reference!**

# Friday Night Doubles

## Open to the General Public!

**When:** Friday, June 19, tee off at 7:30pm

**Where:** Diefenbaker Park Tournament Central by washrooms

**Why:** To raise money for the Saskatoon Disc Golf  
Course Development Fund

**How:** Pay \$10 to register at tournament central for a chance to win some prizes! This round is not PDGA sanctioned, but is a UDisc Event. Pay attention to UDisc, as this is a custom layout.

Prizes will all be random draw. Minimum 4 prizes up for grabs, with more prizes to be added if we get lots of participants.

Money raised goes towards course improvements, like the new tee pad surrounds and the coming bike racks!

**\*Please bring cash entry!\***

# **‘Choice Raffle’ and Silent Auction**

**Our Sponsors (and our Board Members) have come up big! Be generous, be risky, and be a winner!**

**Keep your ‘Keep this Ticket’ side for verification.**

**Buy your tickets, and put all your tickets  
in one bag, or spread them out as you  
choose to try win them all!**

# Tiebreaker Rules

All divisions must have a winner!

**ONLY** 1st place ties go to playoffs.

All playoffs are sudden death.

Report to a TD, and **THEN** do your playoffs.

Regardless of which layout you're playing, tiebreaks are

Y2 (island hole)

Y3 (long par 4/5)

Y8 (double mando/old tourney 18)

Y9 (power pole hole; finishes at Tourney Central)

sudden death, on repeat, until you have a victor.

## Side Actions

All divisions have side actions! (CTPs).

See the indicators on the Tee-signs.

You will play your CTP in your first and last 9 holes on Saturday

For CTPs, your disc must be **IN BOUNDS** to count.

# General Schedule

Course will be setup in Tournament Layout Friday morning. The portable baskets will be taken down each night, and re-setup Saturday/Sunday morning.

Baskets have coloured flags/bands on them, to help you differentiate between the three different layouts. You will play each layout twice over the weekend. Every layout starts on the top of the hill, and ends near the bottom of the hill, so when you finish your 'front 9' wait until the hill is clear and commence your next 9 (ie, on round one, Group 1 plays Yellow/Pink). There are also signs throughout, to help you navigate through the course.

Players Meeting at Tourney Central at 7:15pm. It will be short, and basically a Q&A. This players' handbook with hole maps should be comprehensive.

Check in and line up on Friday Night, at 7pm sharp, if you want your first choice of discs for your players pack. If you come earlier, you can get the remainder of tournament swag, but not your disc. Discs come in multiple makes, models, and weights, but it is **FIRST COME FIRST SERVED.**

We (the Saskatoon Ultimate Disc-Sport Society) advance our mission by providing a quality disc-sport experience with a primary focus on community through ultimate.

We seek to achieve a community based on Spirit of the Game™ by serving the disc-sport community in Saskatoon and area. We accomplish this by offering leagues, tournaments, events, development, and outreach.

We emphasize the vital connection of Spirit of the Game™ to a healthy community and sport. We are sustainable through our relationships with our volunteers, members, and stakeholders who are invested in our success; financially and otherwise.
