

13th Annual Wishard Memorial Caddie Book

A Layout MPO/MA1

B Layout All other divisions

The PDGA app is the official rules for each hole. If this caddie book does not match follow the PDGA app.

Every hole will be marked as either A or B Layout with a yard sign by its respected teepad

It is your responsibility to read the PDGA app and understand how each hole is played. B layout may not play the same OB or Mandos

Missed Mandos will always proceed to DZ's. Missed islands from the teepad will always proceed to DZ's. Missed islands from DZ's will

play from last place in bounds. All other OB plays from last place in bounds.

Teepads will either be concrete, rubber mat, or grass marked by cones and paint

Rubber Teepads: If teepads are wet a red flag will be placed to one side of rubber teepad to allow players to throw safely from ground.

Water will be placed on different holes. Once the water is gone its gone, we will not be refilling them at lunch. Bring your own water.

SAFETY NOTICE: If your on the teepad of a par 3 hole, DO NOT THROW until the card in front of you has cleared the basket. This was an

issue last year and I will DNF the whole card if there is one complaint. Safety for all players is my #1 concern.

Par 4's: Two cards are allowed to play a par 4 at the same time. Again DO NOT THROW if the card in front of you is within range. When

your card fills they are safe from the teepad throwers, turn and wave to signal they are clear to throw and watch them throw

as your walking to your next lie. Pace of play is important so please do not allow the card in front of you to finish a par 4

before you throw your tee shot.

Layouts are on UDisc and marked as 2026 Wishard Pro Layout and 2026 Wishard Recreation Layout

Pedestrians always have the right away. Please respect them, they may not know a tournament is in progress. Be kind and notify them

of the potential risks.

Spectators are allowed and encouraged to follow along. Please tell them to be behind the card and quiet. If spectators are moving around the

course to watch multiple players that is OK, however they need to be respectful of players throwing and putting around the course

CTP winners will win a prize from DAKM4 Disc Golf. Cash CTP winner will win 100% of pot

Hole 1

A Layout	327'	Par 3	OB: Island Hole: Island marked by stringline and road. If disc does not land inside of island, proceed to DZ marked by red flags with one penalty stroke.
