

The Augusta Disc Golf Association is thrilled to present the 24th annual Augusta Ice Bowl. The event will take place on Saturday, February 28 at the Riverview Park Disc Golf Course in North Augusta, South Carolina.

The Ice Bowl is a nationwide disc golf event, held during the winter months, with the mission of fighting food insecurity by supporting local charities. The Ice Bowl began in 1987 as a single tournament in Columbia, Missouri. Since 1996, almost \$8 million has been raised nationwide, including over \$520K in 2023.

Over the past 24 years, the Augusta Ice Bowl has raised over \$30,000 and thousands of pounds of food for our local food banks.

This year we are excited to partner with Golden Harvest food bank and join in the fight against hunger in the CSRA. This year, 72 players will battle the cold weather over two rounds of disc golf with all proceeds from the tournament benefiting Golden Harvest Food Bank. For every \$2 raised, Golden Harvest can provide up to five meals for folks in our community struggling with hunger. Our goal this year is to raise over \$2500 providing more than six thousand meals to children and families in our local area.

In addition to a food drive, we are gladly accepting cash, check, and digital donations. Donations will be accepted at the event, or you can reach out to us directly at Augustadisc@gmail.com. Checks may be made payable to the Augusta Disc Golf Association.

Hole Sponsorships are also available! For a minimum donation of \$25, sponsors may have their company logo or banners posted on the course tee boxes for everyone to see. (Contact us with your graphics or banners)
