General Information and Highlighted Rules

Welcome!

Thank you for registering for the 5th Annual FROLF International Championship. It is my goal to provide an event format that you will enjoy. You can add to the enjoyment factor of the atmosphere as well! Please be considerate of PDGA rules and of your fellow competitors. This means no alcohol consumption during the event, and please keep your language in check the best you can. There could be junior players in the field that don't need to hear such language and many adults who do not wish to hear it either

2026 Citadel Elite Performance Series Presented by IGOTTA3: This is a Citadel Elite Performance Series event. Players earn points for every event in which they participate. You can learn more about the series by scanning the QR code to the right.

TDs for Saturday: Gabe Brown (864)504-7873

Tournament Central & Bathrooms: Tournament Central will be near the practice basket. Temporary restroom tent will be near tourney central.

Lunch: There are several options nearby for your lunch needs. You will have at least an hour between round 1 & 2 for lunch. I will be posting the second-round hole assignments on the PDGA results page, so you know where to go for round 2.

PDGA Live Scoring: All players on each card must keep score. I suggest everyone on the card keep score in PDGA Live scoring. This guarantees your scorecard matches your card mates, and as long as you submit your scorecard at the end, you should be good to go. The passcode will be on the player card board at tournament central. **If you must use paper scorecards, please let me know when you get this so I can be prepared.**

Tiebreaker procedure: 1st place ties will be broken using sudden death playoff starting on hole 1 and continuing until a winner is decided. Ties for 2nd place trophies and beyond will be determined by who threw the best 1st round score. If that is a tie, a CTP throw will determine tiebreaker.
