Disc Golf Course Heerenveen

SUPPORTER VAN
SCHOON[®]

Disc Golf

Disc Golf wordt gespeeld zoals het traditionele golf in plaats van het slaan van een bal gebruikt de speler een disc, om vanaf de tee richting de metalen basket te werpen. Het doel van het spel is om elke hole in zo min mogelijk worpen te behalen. De speler die het minst aantal worpen nodig heeft geteld voor de course is de winnaar.

Regels

1 Disc speler gooit vanaf de tee de eerste worp. Na de eerste worp mag de speler die het verst verwijderd is van de basket, als eerste gooien.
2 In geval van een hole in one wordt de disc als een disc in de basket heeft gegooid.
3 Sommige holes hebben een OB (geboort van de disc met mag belanden) of een Mandatory (obstakel die op een bepaalde manier gepasseerd moeten worden). Hou de tevens goed in de gaten!
4 Per worp mag je een andere disc gebruiken.
5 Professionele discgolfers hebben bijvoorbeeld wel 20 verschillende discs mee.

Belangrijk!

1 Bij Disc Golf staat respect voor de omgeving voorop. Denk om andere parkgebruikers, groei niet als je de kans aanwezig acht dat je iemand kan raken. Gebruik spotlights als je te weinig overzicht hebt. Houid het park netjes.
2 Gooi afval in de afvalbakken en blijf altijd positief. Geniet ervan!
