Thank you all for signing up for this tournament. Your continued support is what makes these events possible! This one has been sold out for a while now, and we are so thankful to each and every one of you! The high for Saturday is 85 so it will be a beautiful and hot day.

****We will be bringing 9 cases of water (360 bottles). PLEASE make sure to bring your OWN small cooler with waters as well. It is going to be a hot day. When 3-4 bottles fill up a stainless steel bottle they go fast, so please come prepared.****

Please PICK-UP after yourselves so we can leave it better than we found it! We must lead by example.

HUGE Shoutout to Mark Goffi, Matthew Law, and the Henry County Disc Golf Club for being absolute top notch across the board!

BUD KELLEY DISC GOLF COURSE

Est. 2025

Course and Signage Design By:

WWW.PLANETEARTH.ANDARCH.COM

DISC GOLF RULES:

General: Disc Golf is played like ball golf except using a flying disc. One stroke is counted each time the disc is thrown. The goal is to get the disc in the basket in the fewest strokes possible.

Tee Throws: Tee throws must be completed from the designated tee box. Do not throw until other players or park users are out of range of your throw.

Lie: The spot where the previous throw landed. This is where you make your next throw.

Throwing Order: After teeing off, the player whose disc is farthest from the hole throws first. The player with the least amount of strokes on the previous hole tees off first on the next hole.

Fairway Throws: Fairway throws must be made with the foot closest to the hole on spot where the disc lies. The other foot may not be closer to the hole than the lie. A run-up and normal follow-through is allowed outside of a 10-meter radius from the basket.

Putte: Within a 10 meter radius of a basket, a player may not step past the lie when attempting to putt.

Completion of Hole: A disc that comes to rest in the basket or chains is successful completion of the hole. A disc coming to rest on the top of the target does not count as a completed hole.

Unplayable Lie: Any disc that comes to rest above ground is considered an unplayable lie. The disc must be thrown from the spot directly underneath the unplayable lie.

Drop: If a player cannot play from a lie, a drop may be taken with a one stroke penalty.

Out of bounds: Any disc landing in a road, on or across any path, in any water or across any property line is considered out of bounds. A throw that lands out of bounds must be played from a spot 3' in bounds from where the disc went out of bounds with a one stroke penalty.

Course Courtesy: Course users shall let safety be their first concern. Please do not throw if another park user is within range. Help new players learn the course and rules and most importantly HAVE FUN!

Trash: Please place trash in trash cans. Please help keep the park clean.
