# General Rules

- All roads are out of bounds (OB). Discs touching curbs are inbounds (where OB is listed as road & beyond, only one side curbs are safe the other side is OB).
- There are no water hazards or water OB.
- The two-meter rule is not in effect, i.e., no penalty for discs stuck in trees more than two meters high.
- Players whose disc is in bounds, may take one meter relief from OB line, relief must be perpendicular to the OB line.
- Players whose disc is OB, may take one meter relief from the OB line in any direction.
- There are no designated relief areas. Please report any hazards found during the rounds so the hole notes can be updated.
