

The Don Shannon Disc Golf Course at Dundee Lake - Dundee 18 Alt Shorts 2026

Layout Details

Hole	Tee	Target	Par	Feet	Notes
1			3	310	Surrounded 100% by water it is OB
2A			3	223	White OB line with Flags on entire back/right side of this hole. If disc is 100% surrounded by water it is OB. Please be careful of the players on the next tee pad.
3A			3	234	If disc is 100% surrounded by water it is OB. BE VERY CAREFUL ON THE SMALL GULLEYS AROUND THE BASKET, it's VERY SLIPPERY, go up and down on an angle and try holding on to something if possible.
4A			3	375	Cliff/river on FAR right is OB. It is clearly marked by white line and flags. (if on cliff take 1 meter safety relief). If you go into the deep creek, mark where it went OB and then come back and get your disc in between rounds, it's way to dangerous and time consuming to get it during the tournament.
5A		RED	3	160	SHORT LAYOUT PLAYS RED BASKET.
6	Shorts		3	294	RIGHT SHORT TEE PAD, it's a good idea to have spotter stand wide right by the other short tee pad to watch the flight.
7			3	284	No OB, beware of going far wide right It's a big drop off down into a swampy wooded area. All water in swamp is Casual relief as far behind it as you deem necessary to make a shot.
8	Shorts		4	452	Road long is OB, if disc comes to rest 100% on road then it is OB, mark where it went out and take 3 feet relief. Fence Long is OB. Kudzu on right side is VERY NASTY, please be careful.
9			4	600	SHORT BASKET, Road on left side and parking lot and beyond is OB
10			3	295	Restroom roof is OB and also inside of the restroom is OB .
11			3	249	No OB, just be careful of very thick wooded area all right side.
12	Shorts		3	340	Be very careful of players finishing Hole 11, it's very hard to see them from the long tee pad.
13			3	307	No OB, beware of very thick woods short left and short right side.
14	Shorts		4	475	No OB or Mando, beware of THICK woods on whole right side and left side.
15			3	240	Water is OB and it's left, right, and long so be careful.
