The club can be reached on (02) 9743 9436 for further clarification.

TIMING

Speed of play is important and will determine the timing of Round 2. All players please be mindful to keep your card moving along to prevent any backlogs.

MORE INFO

OUT-OF-BOUNDS

All permanent water areas (dams, creeks etc) are OB as well as obvious rough areas whether marked with flags or not.

All golf greens and bunkers are OB. They are clearly defined however any grass runners connected to the outside may result in your disc being safe. Consult with your card for confirmation.

Most artificial OB has been introduced to separate holes from each other. Flags will mark the OB lines around the course and will be roughly 10m apart. A disc is deemed to be OB if it is wholly outside the virtual line between 2 flags and needs to be agreed by the card. If in doubt then play provisional and take a photo for the TD to confirm

Any areas marked as GUR (ground under repair) can be treated as Forced Relief unless it is clearly marked as OB.

Any mulch piles will be treated as casual relief. If your disc comes to rest in a mulch pile, you may take optional relief by moving your lie back on the line of play to the nearest available point behind the mulch pile, without penalty.

Double fence

OB Fences: Wherever there are double fences marked as OB (eg hole 3) it is the inner fence that denotes the OB line. Landing between fences is OB.

For above ground fence netting use the lower cable as the reference OB line.

Above ground netting

LOST DISCS

Do not enter the water to retrieve lost discs. Please let the TD know after the round and we will ask the Golf Course to assist with retrieval.

Any discs that go over the course perimeter fence are to be left until after the round.

MORE INFO CONTINUED

TEE PADS

Tee pads are a mix of golf tees and natural ground. We are playing from the **BLUE** markers.

NEXT TEE

It may be confusing at times where the next tee is. Please consult the Course Overview and follow the dashed yellow lines to the next tee. Please do not cut across greens and fairways. Always check that you are at the correct hole.

WATER/TOILETS

Water and toilets are located inside the Golf Shop and refills can be made when at hole 1 and 10.

PLAY-OFFS

Should a play-off be required then the holes on rotation will be 10, 17 and 18.

CTP

Hole **2** will be the CTP hole for **FA40, MA50, FA50, MA60, MA3, and MA4**

Hole **8** will be the CTP hole for **MA1, MA2, and MA40**.

There will be a flag and clipboard at these holes and the winners will be determined over both rounds.

ACE POT

\$200 is being offered by **Tyrepower Rouse Hill** to be split for all aces on the day.

BBQ

We will be running a BBQ from when the 1st card finishes in Round 1 until Round 2 starts.

As part of your entry you will get 2x BBQ sausages on rolls with onions and coleslaw and 1x soft drink. Extra BBQ sausages will be available for purchase at \$4 each and soft drinks for \$2 each.

Please bring cash as EFT may not be available.

TECHDISC

Come and try TechDisc at the nets near the carpark between rounds. Liam has offered to do quick form reviews so bring your phones to take a video to go with your stats.

MORE MORE INFO**MANDOS**

The only mandos in play for the tournament are the ones on the tee sign/caddie book. They will be the **red arrows** on the trees.
