General Information

Thank you so much for signing up for the first annual Carolina Ladies Classic! We are so excited to host you at Big Creek Station. I hope we provide a great event that keeps everyone coming back each year. Our goal is to make this experience positive for everyone, if this is your first tournament or 100th tournament!

Please be aware and courteous of all PDGA rules, if you have a question feel free to ask! There are a lot of new tournament players and juniors playing, this is a learning experience for them. Help us keep it positive and friendly!

Tournament Central and Restrooms:

Please see the map on the next page for the tournament central location. We will have a porta potty located on site for restrooms. There are also public restrooms located in Mineral Spring Park, a short walk from Big Creek Station.

Lunch:

Lunch is provided thanks to our amazing sponsor Home Team BBQ. Home Team is local and a HUGE supporter of disc golf.

During lunch we will have tents set up for shade. We ask that you bring a camping chair for seating. There is also a nice grassy area for picnic space if you prefer that!

Drinks and snacks will be provided during the tournament and lunch.

Water and Hydration:

We will have water coolers set up throughout the course to fill up your water bottles. We will also have electrolyte drinks available in coolers at tournament central!

PDGA Live and Scoring:

All players on each card must keep score. I suggest everyone on the card keep score in PDGA Live scoring. This guarantees your scorecard matches your card mates, and as long as you submit your scorecard at the end, you should be good to go. The passcode will be announced during the player meeting. **If you must use paper scorecards, please let me know when you get this so we can be prepared**
