PRESENTED BY DISC CRAZY

## Sponsor Recognition

Indy Disc Golf Club gratefully acknowledges the Sponsors whose financial contributions and traded expertise made the 34<sup>th</sup> Checkered Flag Open (CFO) possible. With your support, we are able to pick up the park and prepare the course, rent shelters and portable restrooms, buy water and snacks for all participants, add prize money for professional players, provide every amateur player with free event souvenirs, and award awesome custom-made trophies to all division winners. Logistically, the CFO is not the Super Bowl, the Disc Golf Pro Tour, or even an average weekend at your local suburban youth sports megaplex. But the CFO is the largest event – by hours & money – that Indy Disc Golf Club holds each year, and we are proud to continue the tradition for the 34<sup>th</sup> year. Thank you for your support of this event and community.

## Welcome Message & Important Details

### Tournament Director

Welcome to Indy Disc Golf Club's 34<sup>th</sup> annual Checkered Flag Open presented by Disc Crazy, to be held Saturday, September 16<sup>th</sup> for amateur players at beautiful Brookside Park in Indianapolis. My name is Adam Harvey, and I am the Tournament Director for this event. My contact information can be found on the PDGA event page at <https://www.pdga.com/tour/event/72812>. Thank you for choosing an Indy Disc Golf Club event. Our abiding goal is to provide a fun, fulfilling competition experience for all participants. This mission is made possible by the generous support of local sponsors and hundreds of volunteer hours.

### Tournament Central & Parking

Tournament Central will be located at Shelter #2, which is near the tennis and basketball courts. Water, snacks, and portable restrooms will be available at Shelter #2. Parking is available at several locations around the park, but you should expect and allow for additional minutes of travel time to find and walk from your parking location to Tournament Central and to your tee assignment. Primary parking locations that may fill early are: (a) the parking lot near Shelter #2, (b) the parking lot near Hole #1. Additional recommended parking locations are: (c) the parking lots immediately SE of the Community Center near Holes #13-14, (d) street parking along Brookside Pkwy S Dr. near Holes #16-#19 and along Brookside Pkwy N Dr. near Holes #20-24 & #4. DO NOT park in the grass near Shelter #2 after that lot has filled.

### Player Check-In & Meeting

Players MUST physically check-in at Shelter #2 by 9:30 AM prior to the first round. Player pack items will be distributed during check-in. Following the check-in period will be a brief player meeting at 9:30 AM. You will receive your tee assignment and access code for electronic scorekeeping at <https://www.pdga.com/score>. If you do not check-in by 9:30 AM, you will NOT be assigned a tee and you will NOT be addable to an electronic PDGA scorecard. If you are going to be late for check-in, you may contact event staff member Marty Gregwah at (463) 666-0862 prior to 9:30 AM to notify us of your expected tardiness. You may be allowed to compete despite missing mandatory check-in, per the discretion of the Tournament Director. Registered players who fail to provide sufficient notice that they will not appear for the first or second rounds will receive an "888" designation as any individual player's failure to notify can disrupt play group organization for the entire event.

## **Rules & Procedures**

### **First Place Ties**

Ties will be broken for first place by sudden death. Initial tee order will be determined by coin flip or random draw. Tee order will alternate for each additional hole. For all contested divisions, players will play event layout holes #10-#14 (24-hole layout #10-#14) in loop until a winner is determined.

### **Optional Side Contests**

Ace contests will be separated by layout, so MA1 and ALL OTHER AM will compete as two separate Ace pools. For each pool, if no Ace is recorded in Round 1, a CTP marker will be placed prior to Round 2 on event layout hole #10 (24-hole layout #10) for MA1 and on event layout hole #9 (24-hole layout #9) for ALL OTHER AM. For each pool, if no Ace is recorded by the end of standard play, the prize will be awarded by CTP result. For the 60/40 CTP contest, all players who opted-in will compete as one field on event layout hole #13 (24-hole layout #13) across both rounds.

### **Inclement Weather**

Per PDGA guidelines, tournament play may be suspended if weather conditions become hazardous to player safety. Players will be alerted by three long blasts of an air horn if event staff has decided to suspend play. Players must immediately stop and mark the lie of each member of the group. Leaving discs as they lie, marking with a mini, or using a natural object is sufficient to mark the approximate lie from which players shall resume play. Players must take shelter. There will be a minimum thirty-minute suspension of play after the signal. The Tournament Director will evaluate the conditions and assign a time not less than thirty minutes from the suspension signal for the players to return to Tournament Central for a resume time or delay renewal. Players shall resume play from their approximate lies as established when the round was suspended. The approximate lie is determined by a majority of the group. Play shall be resumed using the same signaling method as at the start of the round prior to suspension of play.

### **Distribution of Player Packs, Trophies, and Prizes**

All amateur players will receive a player pack with souvenir T-shirt, souvenir towel, and Zing mini-marker. An Indy Disc Golf Club tradition, player pack items for amateurs are added value – similar to added cash for professionals – and their cost will NOT be deducted from amateur payout totals. Added value is made possible by the generous support of local sponsors. Player pack items will be available for early pick-up at Disc Crazy during the players' party on Friday, 9/15 from 6:00–9:00 PM and will also be distributed during player check-in at Shelter #2 on Saturday, 9/16 from 8:30–9:30 AM.

Following completion of play, Indy Disc Golf Club will tabulate and verify results and award custom-made event trophies to division winners. Amateur prizes will be fulfilled through event Title Sponsor and third-party vendor Disc Crazy using a merchandise voucher system. Indy Disc Golf Club will provide Disc Crazy with the names and prize amounts of qualifying players, and Disc Crazy will issue corresponding vouchers and administer their redemption. Per PDGA guidelines, Disc Crazy will provide selected on-hand merchandise for same day, event-site voucher redemption. Event-subsequent voucher redemption would be per Disc Crazy policy.

### **General OB**

Situated within a historic, 100-year-old+, multi-use park, the Brookside Park disc golf course has OB in play on nearly every hole. Unless otherwise noted on a specific hole rule, General OB rules are:

- In/across any paved road (including any curbs) is OB.
- In/across any paved path or sidewalk is OB.
- In/across the creek is OB.
- Across any marked OB line is OB. Any marked OB line is OB.
- ALL parking lots (including any curbs) are OB.
- ALL shelters & their paved areas & rooftops are OB.
- ALL game court areas (e.g. basketball and tennis) are OB.

## Layout Details

For each layout group, tee areas in play will be marked by temporary signage during the event. Event layouts are available for selection in UDisc on the course page for Brookside Park. UDisc scoring will not be used for this event but players may find the UDisc map feature useful for practice and/or event layout navigation.
