Day of Procedure

Airport Lakes is a public park and parking space can be short sometimes. We encourage all participants to arrive as early as possible before their tee time.

Report to the starter 10 min before your scheduled tee time, the starter will go over OBs and any day of issues. Do not begin round until the starter tells you to.

Scoring will be done with PDGA live score. We encourage all players to download the PDGA app and use it to keep score. This will be the only way to submit official score with the PDGA.
