- 8:40 Player's meeting

- There will be 1hr 30min between rounds
- My phone number is 937-243-7584 , feel free to call me with any questions during the round
- I will have water at the shelter at both courses

Parking:

- Bellefontaine: The absolute best place to park is in the Hoffman Pool parking lot. There is almost no parking by the shelter/course. Please try not to park in the grass near the holes. There is also a small parking lot across from the tennis courts and a few other small spots.
- Marysville: If the lot is full, do not park in the grass or in other places that are not parking spots. If full, there is street parking up top on the road. **Also, please try and leave the spots right in front of the shelter for the MOJO trailer so they can unload easily.**

Thank Yous:

- Big thanks to my assistant TD Bryan
- Shoutout to Bob and Marnie with Mojo Disc Golf for doing payout and player's packs, they have a great selection of discs!
- Thanks to Jeff for reserving the shelter
- Thank you and good luck to everyone playing!
