

We are looking forward to seeing everyone up at “The Ranch” for the 2024 Top of the Pines presented by Discraft. Here is some additional event info and the course rules. Please keep an eye on your email, the Facebook event or the Disc Golf Scene event page for updates during the event.

Please read completely and save for future reference

There is road construction on SR 260 near Heber-Overgaard that can slow travel time. Please check your preferred map application before your trip up here and plan accordingly.

*****All players must check in 5 minutes before their scheduled tee time at the Starter Tent by hole #1. Failure to do so will result in a 2 throw penalty.*****

Scoring

The PDGA Digital Scorecard is the official scorecard for this event. The PDGA Digital Scorecard can be found at www.pdga.com/score or we highly recommend that you download the free PDGA Live app in the Apple App Store or Google Play. The app not only allows you to keep score in tournaments, but it all allows you to follow live scores and search the PDGA rules. The event passcode will be given out at the Starter Tent.

Layouts

MPO, MP40, MP50 and MA1 will all play the Pro Layout.

FPO, FP40, MP60 and all other AM divisions (except MA1) will play the Short Layout.

Camp and Misc Stuff

Stay hydrated! You are playing at 7,000 ft. elevation. There are several great-tasting-well-water spigots to fill up your bottle around the property. There will also be a few water coolers around the course as well. Be sure to bring a re-useable style water bottle like a Hydro-flask with you.

No illegal substances and NO SMOKING of any substance in any buildings or on the property will be permitted. There is a designated smoking area by the fire pit. Violations will result in dismissal from the property and from the event.

Campfire ONLY allowed at the main fire pit. (If forest restrictions permit). No personal camp fires allowed. Camp stoves are allowed for cooking.

Kitchen is NOT available for cooking or general use and is for event staff only.

Ice from the machine in the kitchen will be available for participants. Hands must be washed before access. (Adults only, please.)

We aim for this years event to be a family friendly environment. All visitors are expected to respect the property and other visitors while staying by keeping music and other noises to a neighborly level.
