

Legend In My Hometown  
Ocala Greenway Disc Golf Course  
Sunday June 23  
Player Info Email

Hello, thank you for registering to play Legend In My Hometown: Ocala Greenway.

Attached to this email is the Caddy Book with all essential info for Sunday. I've also attached the comprehensive course overview. This document contains specific event info on each of the 24 holes on property, as well as a brief guide. Sunday's event will be the first to compete on several new par 4 and par 5 holes included in our second round layout.

We are privileged to play at this course located on the north edge of the Florida Greenway Wildlife Corridor. For more information on the property I encourage everyone to visit the Ocala Greenway website. There are 30 second video clips showing each of the 24 holes. (<https://www.ocalagreenwaydiscgolf.com/>)

Parking is very limited and the lot will be partially filled by tournament headquarters. Players are encouraged to park in the grass on 64<sup>th</sup> Ave, the road leading to the park. Please do not park on the residential side of the street or anywhere that looks like private property.

There will be water coolers and snacks provided during both sessions. Lunch is not included with the tournament. There are limited options in the area, I encourage players to bring food. Please make sure to take any trash with you.

We still have spots available for Sunday. I'm leaving Disc Golf Scene registration open until check in, bring a buddy.

Every amateur player receives a Player Pack. The Player Pack consists of one stock disc of your choosing from our collection on-site AND your choice from registration. Registration choices can be changed on the event page; click on the "Players" tab and then the "Edit" button. Players who chose the "voucher" option will receive a \$15 voucher to Disc Golf Center in their email.

Our Amateur payout will be issued through Disc Golf Center, in DeBary FL.

Disc Golf Center is a large online disc seller that is heavily involved in supporting local clubs and competition. Payouts will be issued via email and can be redeemed online or in person. Disc Golf Center offers free shipping on orders \$40 and over, \$4.99 shipping under that. Players that choose "Voucher" option at registration for Player Pack will have \$5 added to their specific divisions payout.

Two CTP holes are included on each round. Entry into the CTP is included in everyone's entry fee. CTP winners can choose any of our stock discs on site or receive a \$10 voucher to Disc Golf Center

Ace fund is \$5 to enter, available through our event page at registration or cash day of the event. Multiple aces split evenly. In the event of no Ace hit we will hold a random digital drawing with up to three winners splitting evenly.

I've organized this tournament with the option to play one or two rounds based on division. Please check your registration and make sure you are in a division playing the amount of rounds you desire. Changes can be made on our event page under the "Players" tab.

This is a 24 hole course, we are only playing rounds of 18 holes. It is important for players to follow the PDGA app or the caddy book during the round to make sure everyone is playing the same layout. The hole order for round 1 and round 2 are different.

Some holes on each layout have multiple baskets in the ground. For the First Round all players will throw to the short baskets. For the Second Round all players will throw to the long baskets. All these specifics are clearly marked on the PDGA app.

All proceeds from this event go toward supporting Ryder Boutwell and Legend Hermes as they journey to compete in the Disc Golf Junior World Championship this summer in Tulsa Oklahoma.
