General Information and Highlighted Rules

Welcome!

Thank you for registering for the 5th Growling Open. It is my goal to provide an event format that you will enjoy.

PDGA Women's Disc Golf Week Event: This event is being held to help encourage growth in the women's area of our local disc golf region. Through generous sponsorship of Great Courses of South Carolina, Upstate Disc Golf Club, and Hub City Disc Golf Club, we are offering the first 35 women free admission to the event.

2025 Citadel Elite Performance Series Presented by IGOTTA3: This is a Citadel Elite Performance Series event. Players earn points for every event in which they participate. You can learn more about the series by scanning the QR code to the right.

TDs for Saturday: Gabe Brown (864)504-7873 James Lebaube (407)463-8577 (Assistant TD)

Tournament Central & Bathrooms: Tournament Central will be inside the back door of the brewery. We have bathrooms available inside the brewery.

Lunch: There are several options nearby for your lunch needs including the Farm & Brew itself. Please consider supporting this business since they support disc golf. You will have at least an hour between round 1 & 2 for lunch. I will be posting the second-round hole assignments on the PDGA results page, so you know where to go for round 2.

PDGA Live Scoring: All players on each card must keep score. I suggest everyone on the card keep score in PDGA Live scoring. This guarantees your scorecard matches your card mates, and as long as you submit your scorecard at the end, you should be good to go. **If you must use paper scorecards, please let me know when you get this so I can be prepared.**

Tiebreaker procedure: 1st place ties will be broken using sudden death playoff starting on hole 1 and continuing along division layout until a winner is decided. Ties for 2nd place trophies and beyond will be determined by who threw the best first round score. If that is a tie, a CTP throw from hole 9 white tee will determine tiebreaker.
