General Information and Highlighted Rules

Welcome!

Thank you for registering for the 4th Annual Upstate FROLF International Championship. It is my goal to provide an event format that you will enjoy. You can add to the enjoyment factor of the atmosphere as well! Please be considerate of PDGA rules and of your fellow competitors. This means no alcohol consumption during the event, and please keep your language in check the best you can. There could be junior players in the field that don't need to hear such language and many adults who do not wish to hear it either.

2025 Citadel Elite Performance Series Presented by IGOTTA3: This is a Citadel Elite Performance Series event. Players earn points for every event in which they participate. You can learn more about the series by scanning the QR code to the right.

TDs for Saturday: Gabe Brown (864)504-7873 James Lebaube (407)463-8577 (Assistant TD)

Tournament Central & Bathrooms: Tournament Central will be in the covered patio near the playground. Bathrooms are located next to playground.

Lunch: There are several options nearby for your lunch needs. You will have at least an hour between round 1 & 2 for lunch. I will be posting the second-round hole assignments on the PDGA results page, so you know where to go for round 2.

PDGA Live Scoring: All players on each card must keep score. I suggest everyone on the card keep score in PDGA Live scoring. This guarantees your scorecard matches your card mates, and as long as you submit your scorecard at the end, you should be good to go. The passcode will be on the player card board at tournament central. **If you must use paper scorecards, please let me know when you get this so I can be prepared.**

4th Annual Upstate FROLF International Championship

July 26, 2025 Hampton Park DGC,
Greenville, SC
PDGA Sanctioned Pro C/Am B Tier

OB Rules: Tiebreaker procedure: 1st place ties will be broken using sudden death playoff starting on hole 1 and continuing until a winner is decided. **Live scoring is the master source for rules if there is discrepancy.** **MA4 and FA divisions will play short tees on hole 3, 8-9, 12-13, 15, 17**

Hole 1: The road and beyond is out of bounds. (Grass/dirt is in, concrete/asphalt and beyond is out) Beware of incoming drives from 18's tee pad between the tall grass and the road on the right. Flags near tall grass are in play for hole 18, not hole 1.

Hole 2: Mando in play. Tee from marked Drop Zone next to Mando if missed. Beyond the flag/stake line on the left is OB. Cash CTP

Hole 3: Multiple Mandos in play on right. Any missed Mando will take a stroke penalty and tee off from short tee on left of fairway. The curb line past the basket marks OB. (Grass/dirt is in, concrete/asphalt and beyond is out)

Hole 4 Island Green flagged: Any throw from the Tee must come-to-rest on the Island Green to be able to mark on the Island Green. Throws from the Tee that don't come-to-rest on the Island Green, must proceed to the Drop Zone with a penalty throw. (PDGA waiver granted to allow this rule.) All other throws use normal OB rules. Cash CTP

Hole 5 State Park Road and beyond to the right is out of bounds. The marked electric pole beside state park road is a Mando you must shoot to the left of it. Missed Mando plays from the drop zone to the left of Mando pole. Beyond white PVC stakes/flags to the left of the fairway is OB and the line wraps behind the basket. Any initial drive that goes OB can choose to play normal OB rules or use the optional drop zone bedside the Mando. After the initial drive, normal OB rules apply.

Hole 6: Parking lot spaces will be out of bounds. The out of bounds by the basket will be marked with a rope or cones. Players can take casual relief from any riprap (rocks) near the creek or in the middle of the fairway by moving back along the line of play until clear of the rocks and no further with no penalty stroke. Any creek (surrounded by water) is out of bounds. There is a rope on the asphalt to be used as the OB line.

Hole 7: Surrounded by water in the creek is OB. Over the black fence is OB. Beyond the flagged/staked line is OB. Discs under bleachers are treated using relief area rules (Official Rules of Disc Golf 806.04: A relief area is considered and played as an out-of-bounds area, but no penalty throw is applied.) Cash CTP

Hole 9: Tee has been moved forward about 30 feet from the original tee to not have players throwing from under the leaning tree above.

Hole 10&11: Cash CTP

Hole 15: Crestwood road to the left of the fairway and beyond is OB. (Grass/dirt is in, concrete/asphalt and beyond is out)

Hole 16: Surrounded by water in the creek and beyond is OB. Any portions of the creek area that have been flagged should be treated as OB if the disc comes to rest beyond the flag line.

Hole 17: No OB. Discs in creek or in deep mud are treated using relief area rules (Official Rules of Disc Golf 806.04: A relief area is considered and played as an out-of-bounds area, but no penalty throw is applied.) If the disc is past the creek but on stable ground, play it as it lies.

Hole 18: OB is beyond the flag line that runs along tree line on left, behind basket, and back up grass line on right. Paved road is in bounds if it is within the flagged perimeter.
