Event Rules

This is a PDGA Sanctioned A-tier. All PDGA rules apply.

·**Pre-tournament check-in is required** for players in A-Tier event. At A-Tier events using a staggered start with scheduled tee times, **players must also check in with the starter no less than 5 minutes prior to their tee time each day and be present at the starting hole for the 5 minutes preceding their tee time each day.**

·**Live Scoring:**

- All PDGA A-tier events now use live scoring, and all players must keep score. We will provide the option for a paper card, if you choose, however, paper cards must be turned in to a tournament official.
- Login: pdga.com/score

General Course Rules for all Courses

- Road, curb, fence and/or parking lot and beyond is OB. Landing beyond OB into another hole's playable area is OB even if safe in that other hole's fairway/green. OB will generally be marked with string, paint, and/or flags.
- In creek & pond(s) and beyond is OB. These areas will be marked as clearly as possible above the water line. If not marked, then play the water line.
- Mandos - Drop zones will be placed at each mando and/or clarified in the Hole Specific rules about how to proceed with play.
- 2 meters relief from any barbed wire.
- Any Relief Areas in play will be marked with Red paint. These are areas designated by the Director from which a disc may not be played. A relief area is considered and played as an out-of-bounds area, but no penalty throw is applied.
- Any Casual Relief Areas in play will be marked with Orange paint and players may take relief as defined in PDGA rule 806.03.
- Should heavy rain develop, casual relief will be allowed from water that is not marked, and we may mark temporary tees. Only use the temporary tees if TD has enacted them for the round.
