

THE 2025 GRAVITATIONAL PULL AT THE COVE CADDY BOOK

WELCOME

A PREMIERE EVENT OF THE YEAR LETS HAVE SOME FUN.

Join us for 3rd Annual Gravitational Pull at the Cove!
Gravity Disc Golf & Walker Rocks are hosting a B-Tier at Mountain Cove Farms! The course will be in top shape after working with the amazing folks at Mountain Cove and a couple of workdays to get this ready to play. We will use an 18 Hole Temp Course with the existing main layout to have a Two-Round, Two Course Event with Tee Times for both Rounds.

Mountain Cove is a gem and a staple in this area and Gravity is excited to bring the course and event back to life again! This is an well-designed course and we want to bring an event that will match this. See following for Player's Party info!!

GENERAL INFORMATION

Walking:

There will be a lot of walking required both days with lots of elevation changes. Please be prepared with proper footwear, water, and snacks. We will have a mobile off-road vehicle in case of any emergencies on the course.

Hazards:

While we have cleared most fairways, there are still a lot of thorn bushes and natural hazards on the course. We strongly recommend that you wear long socks, pants, and long sleeves.

There are several areas marked with yellow caution tape. Be very careful when retrieving discs in these areas. Please see PDGA rule "806.04 Relief Area" for how to play these areas.

Please call one of the TDs in case of an emergency
