

2.02 Qualifications - Require TDs to hold underserved divisions with fewer than four players. Frequently, women, seniors, and juniors are not able to get four players for their division. While TDs are currently encouraged to run underserved divisions with fewer than four players, members still report that adoption of that suggestion is low. The change to Competition Manual

2.06 that changes the requirements of True Amateur events so that they no longer require trophies for Amateur divisions with a single player - as well as the two-weeks-prior cutoff for determining trophy amounts at True Amateur events - will minimize the impact on TDs. L. A Tournament Director may limit the divisions they wish to offer at their event by listing only the divisions they plan to offer on their registration form.

1. If a division is offered and at least four eligible players register for that division, that division must be held. 2. If a division is underserved as defined in 1.02.C.2.c, the division must be held if at least one player registers for the division. 3. In all other cases, it is at the Tournament Director's discretion whether to hold the division or not (see 1.03.H for refund policy in that case).

On 1 May 2025 there will be a reduction.
