ABOUT CRUSH CUB

TDS (L-R):

Why We Do it?

This all started out due to the lack of the events in our area and a whole lot of passion. One event rolled into the next one... and the next one. Then we started planning events a year in advance.

We've had our stumbling moments, learnings, and more. Finding our brand Crush Cub didn't happen right away and we are still growing! We are always happy to share successes and struggles with anyone who is keen.

Funds Raised:

We continue to find ways beyond green fees to fundraise for local clubs, courses and initiatives. To date we have over 20k fundraised for disc golf in the community. Thank you to everyone who's attended events, donated and helped out along the way.

What's next:

June 15th - Spring Bloom - Rose Hill

September 7th - Crush Cub Classic - Logan Lake

September 27th - Hidden Antler Cup - Revelstoke

2026.... Time to bring more courses into the fray!

Thank you for all the support and we welcome feedback always. Hope its a great event!

TRAVELS!**
