General Rules

- 1. No alcohol, tobacco, or marijuana is permitted outside the beer gardens, and especially on the course, even if your card agrees. These are both park rules, and PDGA Rules.**
- 2. ALL roads and parking lots are OB. Most road OBs are marked by the wooden posts; the outer edge of the posts (the edge closest to the road) is the OB line. The Posts themselves are IN BOUNDS, for purpose of 'last point in bounds' or 'leaners'. Parking lots are marked by curbs, where the curb itself likewise plays in bounds. All other OBS are marked by paint. For painted OBs, other markers like flags are only for visual reference and not meant to serve as official OB markers.**
- 3. No Climbing or adjusting fences - NO EXCEPTIONS. Contact TD if needed to obtain discs back.**

- 4. If the proper course of action is ever in question: Throw (and announce) a provisional! Play out both lies, and discuss what happened with a TD/Official, who will make a ruling. Do NOT bring photo/video evidence to a TD, as that is not allowed as per PDGA Rules.**
- 5. If a disc lands in the wrong fairway (and is not OB), the player on the higher numbered hole has priority/right of way.**
- 6. Although we have rented the park, it is still a public park. Contact a TD if there is an issue. Give other park users the right of way, and only throw when it's clear.**
- 7. Use the main parking lot, or the parking lots by the river. Do not park on the roads, even where it is 'normally' permitted. Signs will point you to the correct place.**
- 8. Pace of play is important, and is also a rule. Please don't make us put anyone on a clock.**
- 9. Keep this caddy book handy for reference!**

Tiebreaker Rules

All divisions must have a winner!

ONLY 1st place ties go to playoffs.

All playoffs are sudden death.

Report to a TD, and THEN do your playoffs.

Regardless of which layout you're playing, tiebreaks are

Y2 (island hole)

Y3 (long par 4/5)

Y8 (double mando/old tourney 18)

Y9 (finishes at Tourney Central)

sudden death, on repeat, until you have a victor.

Side Actions

All divisions have side actions! (CTPs).

See the indicators on the Tee-signs.

For CTPs, your disc must be IN BOUNDS to count.

General Schedule

Course will be setup in Tournament Layout Friday morning. The portable baskets will be taken down before/during the glow rounds, and re-setup Saturday/Sunday morning.

Baskets have coloured flags/bands on them, to help you differentiate between the three different layouts. You will play each layout twice over the weekend. Every layout starts on the top of the hill, and ends near the bottom of the hill, so when you finish your 'front 9' wait until the hill is clear and commence your next 9 (ie, on round one, Group 1 plays Yellow/Pink). There are also signs throughout, to help you navigate through the course.

Players Meeting at Tourney Central at 730pm. It will be short, and basically a Q&A. This players' handbook with hole maps should be comprehensive.

Check in and line up on Friday Night, at 7pm sharp, if you want your first choice of discs for your players pack. If you come earlier, you can get the remainder of tournament swag, but not your disc. Discs come in multiple makes, models, and weights, but it is FIRST COME FIRST SERVED.
