

Hello, registered participants and waitlisters.

We are a couple of days away from the start of Sanity III Presented by Innova. We are thrilled that you are joining us for this weekend!

Almost all of these sponsors are local/small businesses who have gone out of their way to support the local disc golf scene, so please give them a HUGE thank you whenever you can!

I also wanted to shout out Tyler Stark (my assistant TD and LPDGC President), Dom Martinez, John 'Empty Cloud' Lydon, Scotty Fuegos, and Steve 'Noonan' Penton for volunteering to help this weekend run smoothly! Please give these people a high five and a thank you whenever you see them. They do SO much behind the scenes for these events!

With their help (and the help of many others), we are able to maintain our fantastic courses and smooth-running events throughout the year.

After your rounds on Saturday, join us at Grossen Bart for the player party and raffle!

Alright, let's get to some event information!

Check In and Player's Packs

Check in and AM player's pack distribution will take place Friday, May 16th from 5-7pm at Clark Centennial park.

If at all possible, please do attend this as there are many player's packs to be distributed, and there will not be enough time on Saturday morning to do so for everyone.

If you can't make it, late pick up will be available Saturday at Clark Centennial, but please be courteous to those who truly can't make it on Friday by picking up your player's pack at the designated check in time.

Schedule

The schedule is available [HERE](#). Updates to this schedule may be posted at the event Discgolfscore page (under the schedule tab or comments tab) or at the Longs Peak

Scoring

In accordance with PDGA rule 808.A concerning scoring, ALL PLAYERS must keep an independent scorecard. Refusing or being unprepared to keep score is NOT an acceptable excuse! The PDGA Digital Scorecard, found at [PDGA.com/score](https://pdga.com/score) or the PDGA App, is the OFFICIAL scorecard for the event. At least one player on each card MUST keep score through this official PDGA Digital Scorecard, and it is preferred that other players also keep score in this way, but alternate scorekeeping options include paper or Udisc. If you plan on using one of these alternate scoring methods, please be prepared and bring your own materials.

Please remember that all players must confirm their scores after each round before leaving.
