3 Links

- No OB, No 2 meter
- Mando left on Hole 1, and right on Hole 7.
- Tournament Central near Pool.
- If you land on roof of a building or inside fence on Hole 19, play casual relief – closest safe spot behind building with no penalty
- Rattlesnake Relief! We have seen rattlesnakes on the course. All the known snakes have been relocated off property, but some may remain. If you encounter a rattlesnake, take free relief up to 25 feet away, equal or further away from the basket. If the snake is in the putting circle, do not finish the hole, alert the group behind you, and tell tournament staff after the round – we will amend results appropriately.
- Hornet Relief! Hornet ground nests occasionally appear at 3 Links. If encountered, take free relief the closest safe distance behind the nest.
