

TOURNAMENT CAPITAL OPEN

Welcome to the Tournament Capital Open.

The tournament team and the Kamloops Disc Golf Club are grateful to acknowledge that KDGC courses are located on the traditional and unceded territory of the Secwépemc people. We are grateful for their caretaking of this land and are so fortunate to be able to enjoy this space and activity outdoors in it. We are committed to also taking care of the land and supporting our community in doing so as well.

Rose Hill Disc Golf Course is specifically located within T’Kemlups te Secwépemc. Looking down from hole 13 you can see the meeting of the two rivers, which gives Kamloops its name - T’Kemlups. This place gives us gratitude for the beautiful valley that surrounds us, and reminds us how small we are in the world.

McArthur Island Disc Golf Course is located on the banks of the Thompson River. As the waters rise towards the course we are reminded of the power of water, and the role it has in shaping the land as the cycles of high and low water shift through the seasons. This river has been here long before us and has offered transportation and a source of food since time immemorial.

Dick Hart Disc Golf Course is located on the territory of the Secwepemc People. The pine needles that are found in great number on this course have many uses to the Secwepemc People. This land is unique and home to many different species of living things.

We ask that you give consideration to the natural/wild piece of the courses. On McArthur Island there are geese and their goslings throughout the course, great horned owls and their owlets in many of the trees, marmots all over the course, as well as painted turtles nesting in the silty banks of the ponds. If your disc goes in one of the ponds, please use a retriever from the fence or shore line or consider it lost until the TCO volunteers are able to safely go in and retrieve discs.

All of the courses have deer and several times a year, Rose Hill and Dick Hart Park have bear sightings. Please stay away from all wildlife, do not attempt to approach and do not throw towards them. If you are ever unsure of how to proceed, contact your course TD for guidance.

Huge shout out to some key club members that continue to go above and beyond volunteering to make the courses look amazing:

Bruce Hegyi

Darren Hamar

Colin McDaniel

If you see a member or the LOC or a volunteer, be sure say Thank You!

A tournament like this doesn't happen overnight!. It's actually been in the works since October and many of the volunteers book off work to be here as well as sacrifice many evenings and weekends away from their families to get work done leading up to the event. Without them, TCO would not be possible! No disc golf event would be possible! From your local league to the World Championships, volunteers are the unsung heros!

A MESSAGE FROM YOUR TD

To those players returning, welcome back! To first time players, welcome to the TCO! We are excited to host you during one of Kamloops' best summer months where the hills are still green, the heat is tolerable, the nights are long and memories are plentiful!

Thank you for including The TCO in your summer plans and we hope that you are able to take in the many things Kamloops has to offer, aside from great disc golf. Included in this Caddy Book is a list of other events happening the week/weekend of TCO. Be sure to take advantage of your Player Pass Perks as well!

Each year, the TCO Team works tirelessly to create an experience better than the last. We listen to the feedback from players, read every survey response and try to find a balance where everyone feels heard and leaves happy. Each year, a lot of the feedback concerns Amateur Player Pack. 2025 was shaping up to be the best yet, as we wanted to ensure that the hiccups from years past became history and we once again set the bar. However, due to economic uncertainties - tariffs mostly, we made the decision to create a player pack that was 100% Canadian and we are thrilled to say that all the products you receive are created, made/manufactured in Canada! We are proud to support these businesses, knowing we were able to offer quality products while keeping all your money in Canada! We believe we have once again set the bar while ensuring the player experience stays intact!

By now, you have hopefully noticed the different playing days for Ams and Pros. This was done to support the biggest piece of feedback we received from the Amateur player...wanting to see the Pros play! We know we have not made everyone happy (because that's impossible) but we have given many a chance to watch high caliber, competitive disc golf on Sunday and once the weekend is over, we will evaluate and wait to see what the feedback looks like!

Watch your email post-tournament for our survey. It is anonymous and allows you, the player, to have a say in what worked, what could be done better and what you would like to see done differently! Next year is our 5 YEAR ANNIVERSARY and we really want to do it up right! So, ensure we have your correct email so you don't miss your chance to have a say in what is going to be our best tournament EVER!

With gratitude,

~Carrie

MCARTHUR ISLAND INFORMATION

COURSE PARKING

Dick Hart Parking

Please use this map as a guideline for where to park at Dick Hart.

Ensure roadways and gates ARE NOT BLOCKED and vehicles are parked in an orderly fashion!
We need to ensure that, if necessary, emergency vehicles can quickly and safely access the park.

If the campground is opened for overflow parking, DO NOT drive or park on the grass.
Follow the road way and park accordingly so everyone has an opportunity to leave.

When it comes to parking at Rose Hill and Dick Hart,
please consider car pooling!

If you need help finding someone in your division to share a ride with, visit
Tournament Central and they will do their best to help you out!

With all the courses, when parking please ensure you are not blocking:

- driveways
- emergency access
- park gates
- mailboxes
- main roadways
- blind corners
- other competitors vehicles

We work with our local community associations, the slo pitch association and the City of Kamloops to ensure that we are following guidelines for parking so there are no issues with our neighbours.

These are relationships that have taken years, sometimes decades to foster and are crucial for the success of an event like this!

thank you!

TOURNAMENT CAPITAL OPEN

Checking In and Beginning Play

At events using a staggered start with scheduled tee times, players must check in with the starter *no less than 5 minutes prior to their tee time and be present at the starting hole for the 5 minutes preceding their tee time* each day.

Players who do not check in with the starter by this time or who are not present at the starting hole for the 5 minutes preceding their tee time receive two penalty throws.

If a player is later deemed to be absent for the first hole under 811.F.5, Misplay, then the penalty above does not apply. The player only receives the penalty for being absent: a score of par +4 strokes

Electronic Scoring is the primary method being used and all players must keep score.

TC025 is the code

As per PDGA Competition Manual

808 Scoring

A. *Each player must keep an independent scorecard recording scores after each hole for the entire group.*

A player who refuses to keep score may be subject to disqualification.

B. *Players may delegate scorekeeping duties only to their designated caddie.*

C. *each player records the score for every player*

F. *all players are responsible for reconciling and submitting their copy of the scorecard within 30 minutes of when their group finished their round. A player who has not submitted their scorecard on time receives two penalty throws.*

Players are responsible to know their tee times.

Arrive well ahead of time to ensure parking as there is a soccer tournament on McArthur Island Saturday and Sunday

All groups will have a quick Q & A with the Course Director at the Starter Tent.

Any course information outside of the Caddy Book, will be relayed to the players at this time.

TOURNAMENT CAPITAL OPEN

OUT of BOUNDS

For either course played that is marked with stakes, the front of the stake, facing into the fairway, is always the OB line. Rose Hill also has OB rope lines that are on the ground.

For either course played, any white painted line is always the OB line.

NOTE* the OB line itself, is OUT OF BOUNDS!

Proceed with OB rules

HAZARD

Anything marked with yellow is hazard.

The hazard line itself, is part of the HAZARD!

Play it as it lies with a 1 stroke penalty

FENCE LINES

For either course played that has a fence line, the front of the post, facing the fairway, is the OB line, unless otherwise marked.

Proceed with OB rules

BARBED WIRE FENCE *do not confuse with chain-link or security fencing*

2 meters of relief is given from barbed wire fencing.

WATER

If a disc is entirely surrounded by water, it is OUT OF BOUNDS!

The TCO Team asks that you do not enter the Mac Island ponds to retrieve your disc. If you cannot reach it with a retriever, consider it lost. The TCO team will safely remove discs and do their best to return them.

MANDATORIES

Both course have Mandos & Restricted Areas. Please know the rules of play for both.

<https://www.pdga.com/news/pdga-official-rules-disc-golf-competition-manual-updated-2022>

All of the Mandos have a drop zone.

NEVER unwind from a Mando! This is not allowed!

PLAYOFF HOLES.

In the case of a playoff for 1st, there will be a sudden death playoff.

McArthur Island: holes 18/1/2.

Rose Hill: holes 10, 11, 18.

Dick Hart: holes 1, 2, 10, 2.

MAIN SPONSORS

Canada's Tournament Capital

Since disc golf set roots in 2000, the City of Kamloops has never wavered in their support! From budget line items to boots on the ground, they continually help the KDGC set the bar for event hosting and course development. We are grateful to be part of the Tournament Capital of Canada!

From fundraising to painting OB lines, the volunteer members of the KDGC do it all! Their support of local Tournament Directors is amazing and their desire to see Kamloops once again become a hot-bed of Canadian disc golf is lit! THANK YOU to all the volunteers for making TCO such a success!

The PDGA has always supported tournaments in Kamloops. From the 2004 Canadian National Championships, to the TCO this week, their unwavering support to see disc golf succeed in the city has been, at times, overwhelming! Without their guidance & belief in the KDGC, the TCO would not exist! A big THANK YOU to Brian Hoeniger at PDGA Canada for making a difference for our City.

Since 1965, we have brought you the best quality brand names in the industry. Originally that industry was logging. From our humble beginnings as Greffard's Saw Shop serving the community from the front porch of our house, we have slowly grown over the years. Two and three bay garages were added, then we moved into a 1500 sq. ft. garage, and we finally ended up in our new retail space with our new name, Bigfoot Trading Company. All the while we have been here to help you with great quality and great pricing. A family run operation since the onset (often the youngest child deciding he is boss for the day) with deep roots in the community, we still continue to bring you quality products at reasonable prices.

Fresh is Best Salsa & Co is offering a free bag of 300g Yellow Corn Chips with any purchase at our storefront.

Fresh Is Best Salsa & Co. is located at 1425 Cariboo Pl.

Since 1999, Fresh Is Best Salsa & Co. has been proudly serving our local community with fresh, low sodium, gluten-friendly salsas, dips, and chips. What started as a small farmers market stall has grown into a full-scale facility, distributing our products across Canada.

We're passionate about using high-quality, fresh ingredients to create healthy products that never compromise on flavor. Supporting local communities has always been at the heart of what we do, whether it's through partnering with local events, sourcing local ingredients when possible, or simply providing wholesome snacks you can feel good about sharing.

Come visit us at Fresh Is Best and discover your new favorite salsa!

TOURNAMENT SUPPORT SPONSORS

During registration, the players listed below chose to pay an additional fee to support the TCO!

This year, in an effort to keep waste reduced, we offered Amateur players their name on their jersey and a bag tag for \$25. Pro players were offered the bag tag for \$15. So, rather than have non-recyclable coroplast sign spread across the courses, our supporters will be recognized by these unique items.
