

# **THE SECOND ANNUAL HEBER OPEN**

## **PRESENTED BY ELEVATE MECHANICAL LLC**

### **CADDY BOOK AND HELPFUL INFORMATION**

Thank you for spending your weekend with us in the beautiful White Mountains. This will serve as your caddy book. We will have a brief players meeting at 7:40 am before round 1 on Saturday, May 10.

Stage 1 fire restrictions are in effect. Absolutely no open fire of any kind.

Weather can be unpredictable in the mountains in Spring. Please plan accordingly for hot, cold, rain, drought, snow or mud.

If you are camping at Tall Timbers, the camping area is across from hole 1. If unsure, call or text Chris at 928-369-6007.

There will be water provided at holes 1 and 11

There are bathrooms located at Tall Timbers by the playground and a porta potty will be placed by hole 18. There is also a bathroom at the Chamber of Commerce near hole 6.

Player packs for ALL players will be available Friday during the 8-4 flex start and Saturday starting at 7 am. Pros will receive a shirt so be sure to check in.

Starting holes will be assigned to PDGA Thursday by 8pm. Round one shotgun start at 8 am. The second round Saturday will start at 1pm. Round 3 on Sunday shotgun start at 8am.

I will have burgers and chips available at lunch for a small donation between rounds Saturday.

White Mountain Barber Shop will be on site Friday and Saturday cutting hair. I know some of you need a haircut.

We have had the opportunity to get some new stumps for the baskets this week. This means some of the holes you have played in years past may have moved slightly!

### **GENERAL COURSE RULES**

The course is cart friendly.

No 2 meter rule. Barbed wire fences get 2 meters relief, all other fences 1 meter relief. In general, the fence line that surrounds the property is OB and denoted by the innermost

fence. All OBs - traditional OB penalties apply and play from last in bounds. If a mando is missed, go to the drop zone with a 1 stroke penalty.

These are fly pads. I understand we don't all love them. You MAY tee from behind the pad or to the ONE side marked with a flag.
