

**Welcome to the 2025**

**CHAMPIONSHIP**

# Reminders

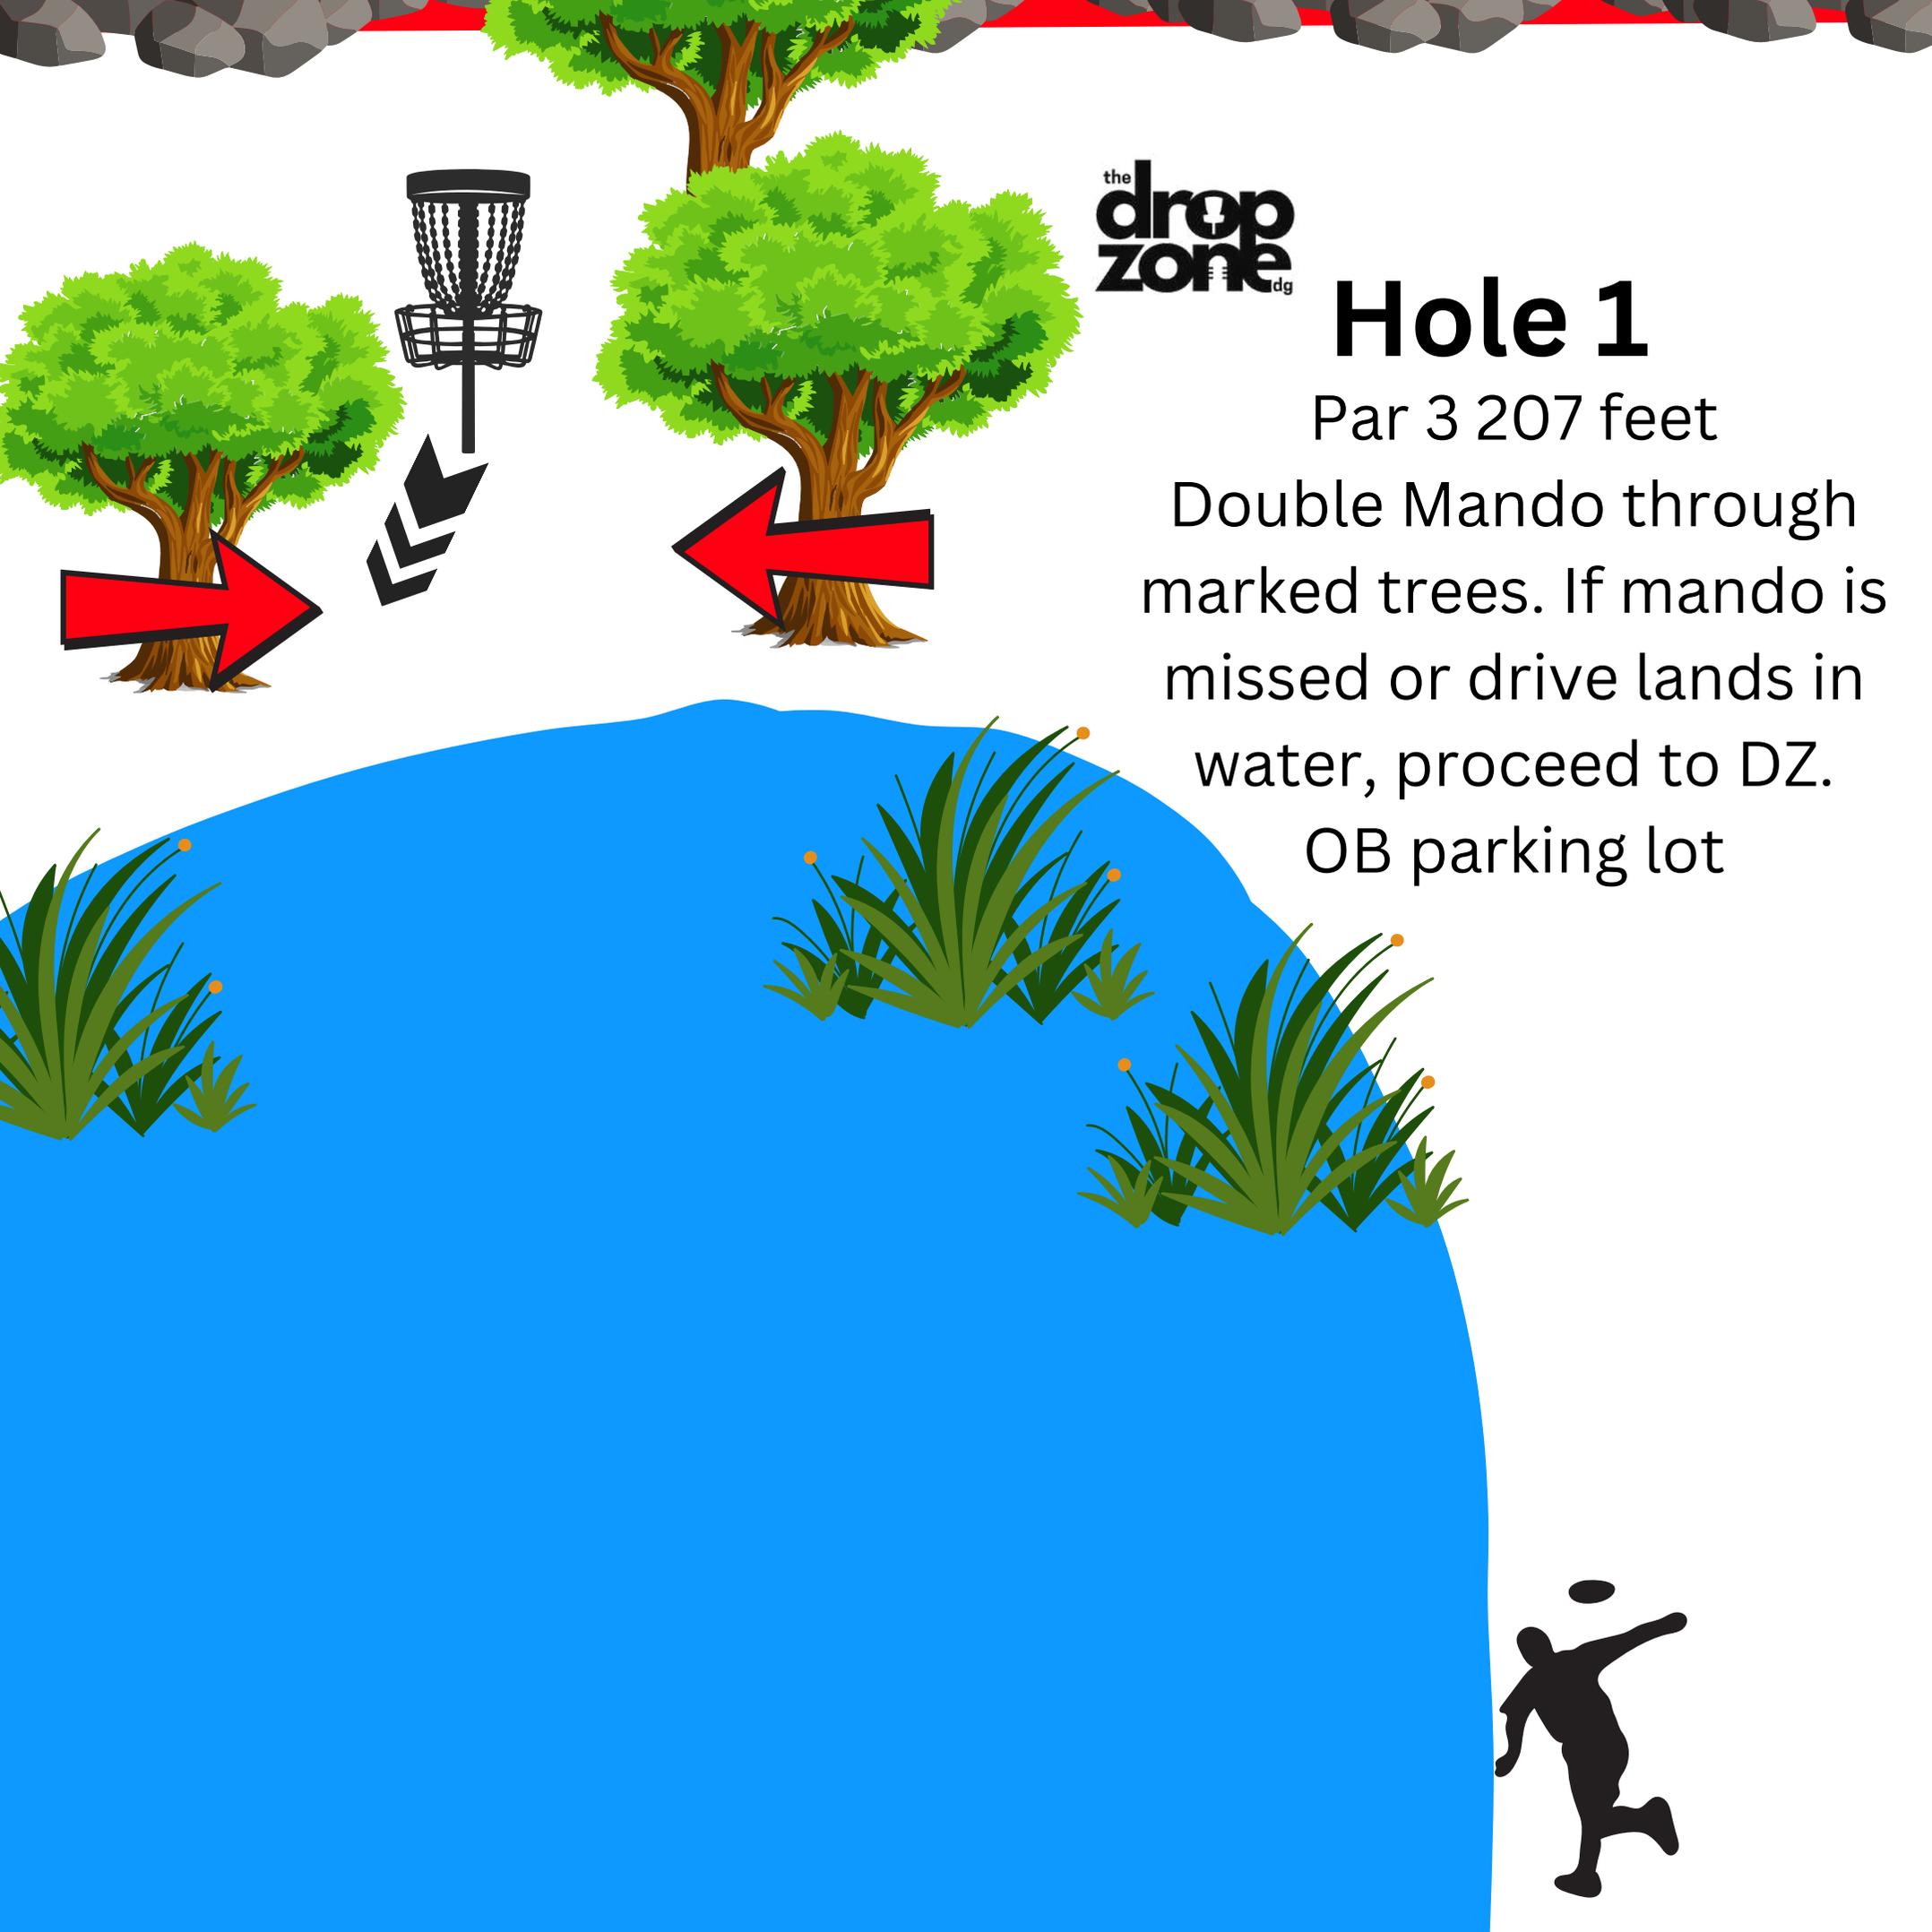

1. Hole numbers relate to this event specifically - not Riverbend's standard layout.
2. The pond by 1 and 2, the river, the canal, the ditch along the middle of the course, and the concrete walking path always mark an OB boundary. If your disc lands on/in or across these boundaries, it is OB. The only exception is hole 11 where the path is not OB.
3. Any standing water in fairways grants casual relief.
4. Have fun! If you don't have fun, you have broken rule number 4. It's written. Have fun.
