				present.
16	Normal	4	594	OB sidewalk left / long & beyond, creek right & beyond. Creek is defined as painted line if present, mowed grass line if not present. Mandatory left of marked tree. Drop Zone is only for the missed mando.
17	Normal	4	630	OB sidewalk right and left and beyond. Parking lot for office buildings is OB.
18	Normal	3	257	OB sidewalk right and long and beyond. Read further for clarrification. Tee is in the OB. You are actually throwing from OB. If your drive is to the right and never crosses over to grass on the left, you never made it in and need to re-tee with penalty. You DON'T need to LAND on grass left, you simply need to break the vertical plane of the sidewalk and grass to proceed forward.
