Western Pennsylvania Series

The Western PA Series (WPAS) will consist of a dozen events over the course of 2025. Placement in each event will be worth points with your best 5 events counting towards your point total.

For 2025, PDGA divisions have been consolidated into 4 pools for points.

- ❖ All Pro Players
- ❖ Advanced (FA1/MA1) and Intermediate (FA2/MA2) amateurs
- ❖ Recreational (FA3/MA3) and Novice (FA4/MA4) amateurs
- ❖ Age Protected Amateurs (Junior and 40+ Amateur divisions)

A per player fee is collected from all WPAS events to build the Series Champions purses. The top placers in each of the pools at the end of the season will be paid out in cash and awarded series trophies.

New to this year is the introduction of “Majors.” Majors will consist of the 4 founding series events and will be worth 1.5x points.

For more information on the series including the point structure, payout structure, and full event listing, please visit the series page at www.discgolfscene.com/2025WPAS
