

Two Town Throwdown Caddy Guide

Important Notes:

- First round at Bellefontaine, second at Marysville
- **PDGA live scoring code: TTT25**
- All OBs will be listed on PDGA live. Pay very close attention to the OBs on every hole
- There is some thick rough at Marysville if you get off the fairway. Make sure you are watching everyone's shots and use a spotter if need be. If you don't find the disc immediately, start the 3-minute timer to make sure you are keeping pace of play.
- Check in 7:45-8:30
- 8:40 Player's meeting
- 9:00 Round 1
- There will be around 1hr 30min between rounds
- My phone number is 937-243-7584 , feel free to call me with any questions during the round

Parking:

- Bellefontaine: The absolute best place to park is in the Hoffman Pool parking lot. There is almost no parking by the shelter/course. Please try not to park in the grass near the holes. There is also a small parking lot across from the tennis courts and a few other small spots.
- Marysville: If the lot is full, do not park in the grass or in other places that are not parking spots. If full, there is street parking up top on the road. **Also, please try and leave the spots right in front of the shelter for the MOJO trailer so they can unload easily.**

Thank Yous:

- Big thanks to my assistant TD Bryan
- Thank you to Bryan and Julianne for making sure the Bellefontaine course is ready
- Shoutout to Bob and Marnie with Mojo Disc Golf for doing payout and player's packs, they have a great selection of discs!
- Thanks to Jeff for reserving the shelter
- Thank you and good luck to everyone playing!
