Caddie Book

NBDG

WELCOME TO NBDG-X ALGARVE OPEN

Natural Born Disc Golfer™ (NBDG) is the most active and most experienced disc golf event organizer in Europe. Since 2016 we have organized over 1500 disc golf related events with over 57 000 participants. Most of our events are based in Finland, but this year we have expanded our organizing range across Europe. Portugal was a great addition to our event map.

It is an honour for us getting this event organized in cooperation with AGUA BOA DISC GOLF and having it as a part of the [NBDG On The Road](#) series.

You are very welcome to join this event, with all the side activities. Hope you have some success and fun!
