Montlake Golf Club

Everyone that helped setup and take down the courses

Checking in:

Friday: Early check-in 10:30am-6:00pm (will be near parking lot)

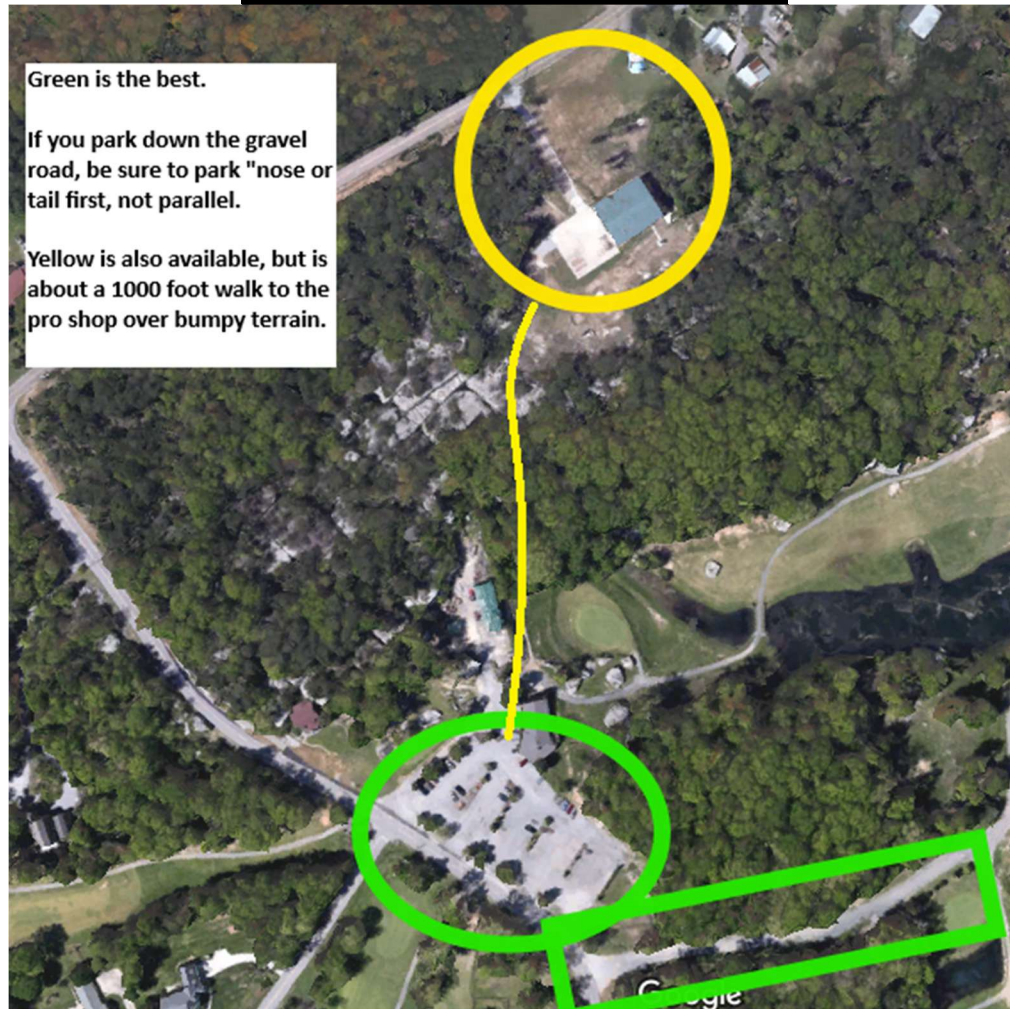

Saturday: If you did not check-in Friday, you can pick up your players pack 30 minutes before your tee time or after your round.

Sunday: You can pick up your players pack 30 minutes before your tee time. If you do not pick it up by Sunday, it will be a CTP prize next year.

Tee time arrival:

- I suggest arriving on site approximately 45 minutes before your tee time to secure parking.
- **COME TO TOURNEY HQ 10 MINUTES BEFORE YOUR TEE TIME BOTH ROUNDS. This is to make sure we have all players for a full card.**
- If you miss your tee time, you will not be moved to a different tee time.

Best areas for parking

Out of bounds:

- All OB's are listed on the tee sign and in the live scoring. Both should match, but if there are any differences, live scoring over rules.
- No 2-meter rule
- All ball golf greens are out of bounds.
- All ball golf greens that are directly in play will be stringed.
- Any hole that has a water carry will have a drop zone. You can elect to go directly to the drop zone where you will be throwing your 3rd shot.

Pace of play:

- Even with tee times, pace of play is still important for daylight. Please be ready to throw when it is your turn.
- On the par fours, if the group in front of you is out of reach, please go ahead and throw to avoid any backups.

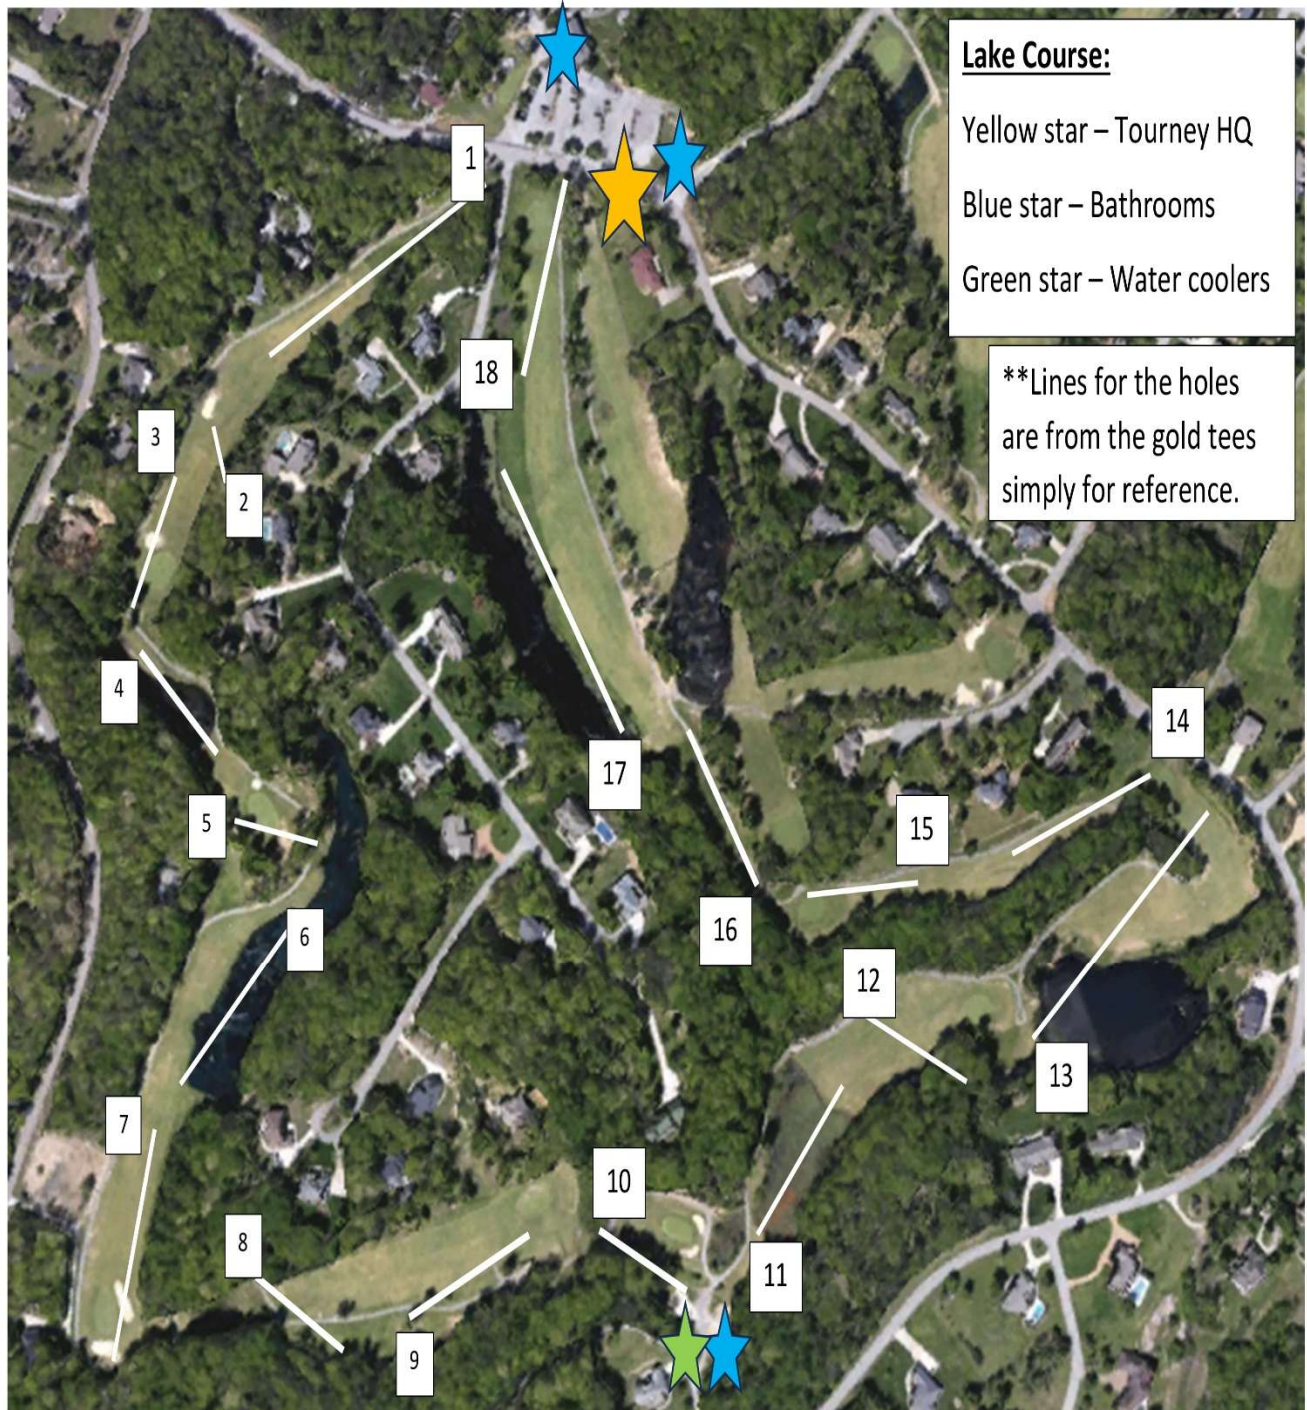

Playoff holes if needed:

Sudden death playoffs for first place will be played on rock holes 10-15 and repeat if needed. In the event of a playoff, players will use a cart(s) with the official to get to hole 10 and the players cannot return to the cart until the playoff is over.

Extra discs and tee shirts:

- I will have some extra TFR discs and misprints for sale all weekend.
- Extra players pack discs and shirts will be for sale Sunday, payout accepted.
- I accept cash, paypal, venmo and GPay.

Practice area:

The two courses take up all the useable areas on the golf course. So there will be practice baskets and nets for warming up in the green area below.

Please keep track of time if you are in the warm up area if your tee time is close. You need to be back at tourney HQ at least 10 minutes before your tee time. Kevin will not be happy if I have to come hunt you down.

Throwing off the ball-golf teepad next to HQ towards 18's basket will not be allowed for respect of those playing on 18.
