

# Frank Grimes DGC Course Rules and Layout

Hole	OB and Course Notes
1	The sprayed OB line dictates the out of bounds. Your drive must cross over the sprayed line to be in bounds. All shots short of the sprayed line are OB. Any throw that is OB can play using one of these three options adding the normal OB 1-stroke penalty. 1) rethrow from your previous lie. 2) play from where you last crossed in bounds. 3) proceed to an optional drop zone on the left hand side of the fairway <b>**All players can choose to opt to move directly to the drop zone to start the hole throwing 3**</b>
2	The sprayed line overrides the water line. All shots over the sprayed line are OB. Completely surrounded by water where there is not a sprayed line is OB. Any throw that is OB can play using one of these three options adding the normal OB 1-stroke penalty. 1) rethrow from your previous lie. 2) play from where you last crossed in bounds. 3) proceed to the white pad as an optional drop zone <b>**All players can choose to opt to move directly to the drop zone to start the hole throwing 3**</b>
3	MPO, MP40, MP50, MA1 play from temp pad back and left of the white pad Completely surrounded by water in the creek left and behind is OB (if any water accumulates in the section of trees 20 feet short/right of the basket, it will be played as casual water)
4	All water is casual
5	All water is casual
