

## Sail Over Iron Run 2025

All main roads, fenced in areas, and buildings are out of bounds (OB). Flags marking hazard areas are yellow. Flags marking OB areas are white. Playoff if needed to break ties for first will be 7A, 8, and 9 repeating. Changes to layout (different OB, hazard, etc) from last year are highlighted in yellow.

**Round 1** *Main 18 - This is the "Main 18 Hole Layout" in UDisc with the usual par 5 hole 15 used when football is not using field by fairway/basket.*

Hole	Par	Length (ft)	Notes
1	4	405	The road to both the front and left are OB.
2	3	183	Drive must land within island as marked by white paint and yellow flags. All areas outside this island other than the road are considered hazard (806.05; player receives one penalty throw but player's lie is not affected). The road is OB.
3	3	290	The long grass, bushes, road to the right of the fairway, and past road to right and long are all OB (marked by white flags or paint). The fence past basket is OB. The trees, long grass, shrubs and road long/left of basket is OB (marked by white flags/paint).
4	4	401	The road and past road to the right of the fairway are all OB. To the right of white flags on right side of fairway is OB. Top of building is OB.
5A	3	208	The main road is OB. The fenced in area at property line is OB.
6A	3	278	The tree line to the right and long are OB as marked by white flags.
7A	4	504	The weeds to the right of the fairway and treeline behind basket marked by yellow flags is a Hazard Area (806.05; player receives one penalty throw but player's lie is not affected). The softball field is OB.
8	3	262	The softball field is OB.
9	3	311	The fenced in area of Dutch Country Stadium is OB. The tree line to the right and long are OB as marked by white flags. The area in front of the tee as marked by white flags is OB.
10	4	368	The ditch near tee pad/ bridge should be played with relief for safety.
11	3	236	The ditch near tee pad/ bridge should be played with relief for safety.
12	3	144	Fly over Iron Run to the castle. Your drive must make the stream (this is marked by white stones lining stream). Golfers whose drives fail to sail over must take their 3rd shot from the drop zone past the stream on the far side of the bridge.
13	3	195	No OB.
14	3	216	The stream between tee pad and basket is OB as marked by white stones.
15A	5	669	The main road is OB (access road in front of basket is in bounds). The fish hatchery building is OB. The weedline to the right of the fairway and past is hazard as marked by yellow flags.
16	3	213	The fenced in area of the soccer field is OB.
17	3	261	The fenced in area of the soccer field is OB.
18	3	344	The pavement, building, and dumpsters are OB.

**Round 2** *Main 18 with Alternate Holes 5, 6, 7, and 15 - This is the "Main 18 with Alternate Tees 5, 6, 7" in UDisc with the alternate par 4 hole 15 used in late summer and fall when football is using field by fairway/basket.*

Hole	Par	Length (ft)	Notes
1	4	405	The road to both the front and left are OB.
2	3	183	Drive must land within island as marked by white paint and yellow flags. All areas outside this island other than the road are considered hazard (806.05; player receives one penalty throw but player's lie is not affected). The road is OB.
3	3	290	The long grass, bushes, road to the right of the fairway, and past road to right and long are all OB (marked by white flags or paint). The fence past basket is OB. The trees, long grass, shrubs and road long/left of basket is OB (marked by white flags/paint).
4	4	401	The road and past road to the right of the fairway are all OB. To the right of white flags on right side of fairway is OB. Top of building is OB.
5B	3	296	The main road is OB. The fenced in area at property line is OB.
6B	4	653	The roads and past on left are OB. The tree line to the right and long are OB as marked by white flags.
7B	4	678	The weeds to the right of the fairway and treeline behind basket marked by yellow flags is a Hazard Area (806.05; player receives one penalty throw but player's lie is not affected). The softball field is OB.
8	3	262	The softball field is OB.
9	3	311	The fenced in area of Dutch Country Stadium is OB. The tree line to the right and long are OB as marked by white flags. The area in front of the teepad as marked by white flags is OB.
10	4	368	The ditch near tee pad/ bridge should be played with relief for safety.
11	3	236	The ditch near tee pad/ bridge should be played with relief for safety.
12	3	144	Fly over Iron Run to the castle. Your drive must make the stream (this is marked by white stones lining stream). Golfers whose drives fail to sail over must take their 3rd shot from the drop zone past the stream on the far side of the bridge.
13	3	195	No OB.
14	3	216	The stream between tee pad and basket is OB as marked by white stones.
15B	4	447	The fish hatchery building is OB.
16	3	213	The fenced in area of the soccer field is OB.
17	3	261	The fenced in area of the soccer field is OB.
18	3	344	The pavement, building, and dumpsters are OB.
