

Veronica Doyle Memorial Disc Golf Tournament June 21st, 2025 Klutho Park

Managed by: The MudBugs of Springfield

Disc golf is one of the fastest growing sports in the world. Disc golf is played just like traditional golf. The difference is that we use specially designed aerodynamic discs (Frisbees) to throw at a pin placement (a specially designed basket). Our governing body, the Professional Disc Golf Association (PDGA), has over 300,000 members worldwide. There are over 11,250 disc golf courses in North America alone. Disc Golf Tournaments are held all year long across the USA and the world.

Although Mud Bugs Disc Golf is not a 501(3)c, one of the common characteristics of the Disc Golf community is charity. This is why the Mud Bugs of Springfield is sponsoring the Veronica Doyle Memorial Disc Golf Tournament.

Veronica Doyle was a beautiful person and an extreme warrior. Veronica lost her battle to cancer in 2023 and thus begins the first of many Memorial Disc Golf Tournaments in her name. Veronica was the loving wife of Mike Doyle, caring mother of Aaron Doyle, and the always attentive grandmother of Vega Doyle. Veronica gave without question or assumption of payback, her smile was a beacon of sunshine, and in the face of her own mortality, she continued to put others first.

The purpose is to raise funds to help a local family deal with the many hardships brought on by cancer. All proceeds will be gifted to the family to help defray the extraordinary healthcare costs as well as any other expenses the family needs. The family selected will be determined by Mike Doyle.
