SCORING

Scoring will be via the PDGA app. The access code for the event is IO25.

Groups will be posted up hopefully by Thursday night on the PDGA event page. Below is the link to access the PDGA page.

<https://www.pdga.com/tour/event/92289>

CTB HOLES

There will be CTB prizes for both days of the event. Below are the holes for each division for both rounds. They will also be listed in the hole notes at the top of the PDGA score card. There will be a sign at the tee for your CTB hole, and also a marker with QR code to mark the disc position. Please fill in details once you have scanned the code.

HOW TO GET THERE

The event is located at the Inverleigh Golf Club:
244 Common Rd, Inverleigh VIC 3321
<https://maps.app.goo.gl/WyfVW6wprXT2srgz9>

PARKING

The main carpark will fill up quite quickly, as we have almost 100 people playing the event. Once the main carpark is full, you will need to park out the front nearer the entrance. Due to the new course being a bit further out the back, there will be an option to drive out to the shed area and park there, depending on your starting hole. Will discuss at the player meeting prior to round 1.

CAMPING

For those who have requested to camp (google form), it will be in a similar spot to last year, but just further up the fairway to allow for the the new East course hole 1 (see below). Please keep to the right hand side nearest to the path if possible. It will be near where you would walk from holes 2-3 on the original West course gold layout.

NOTE: People camping have priority use of the day stay area. This includes the use of the BBQ facilities, kitchenette and toilets/showers.

HOW TO PLAY

Disc Golf is a fun recreational activity for people of all ages. The aim of the game is to throw your disc from the tee pad into the basket in the least number of throws.

Safety and Courtesy Always give other park users the right of way. Never throw when others are within range. Respect the natural flora and fauna - keep the course tidy.

Start Each hole begins with a tee-off throw from the tee pad. After everyone has thrown, the player whose disc is furthest from the basket throws next.

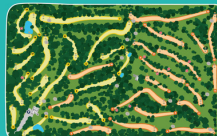

Next Throw Wherever your disc lands on the fairway is your lie and where you must take your next throw towards the basket. Players may take a run up, but you must throw from behind your lie. A follow-through is allowed after you release the disc.

Putting Throws which are less than 10m from the basket require players to stay behind your lie until the disc comes to rest.

Completion of Hole A hole is completed when your disc comes to rest in the basket tray or chains. On top of the basket does not count.

Playing in Order When you start each new hole, the player with the lowest score on the previous hole throws first.

Out of Bounds A disc is out of bounds (OB) when it lands on or over a fence, path or any area marked OB. A one-throw penalty is added to the score and the next throw is taken from the point where the disc went OB. If a disc comes to rest in a tree, the next throw is played from underneath with no penalty.

Course design by Recreation Activity Design and the Inverleigh Disc Golf Club.

TIP: When you have completed the hole, follow the arrow in the basket to the next tee.
