Ace Kitty

Playoff

If there is a tie for first place in a division after the second round, the PDGA Live app will automatically show the Playoff process. The tied players will proceed to the starting hole and create their own scorecard by clicking the "Playoff" button and adding their opponent(s) to the scorecard. The Playoff holes are 1, 2, and 18.

Vending

Disco Fever and Flight Club will have discs available for purchase during this event.

Rules

This is a PGDA sanctioned C-Tier event, so please ensure that you are familiar with the rules and regulations relating to tournament play. [Official PDGA Rules](#)
All water except casual water on the playing surface is OB. The disc is OB when entirely surrounded by water.

1-metre relief is available from all OB with no penalty stroke

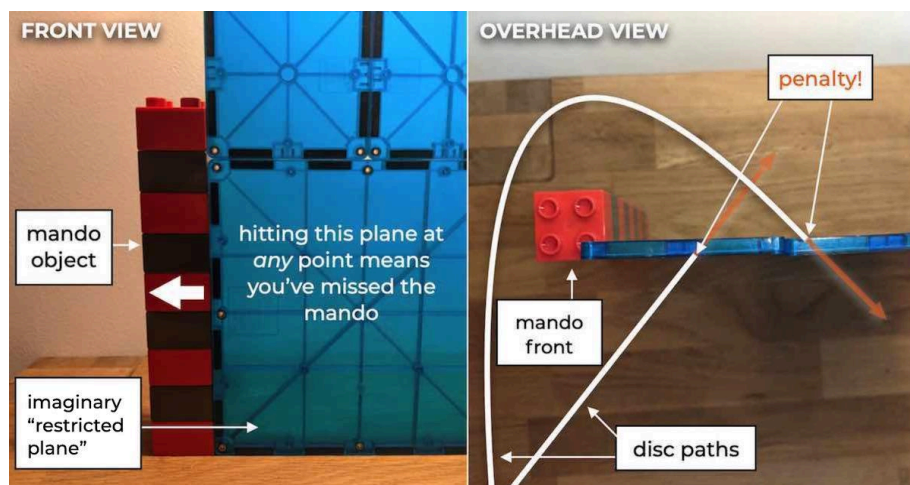

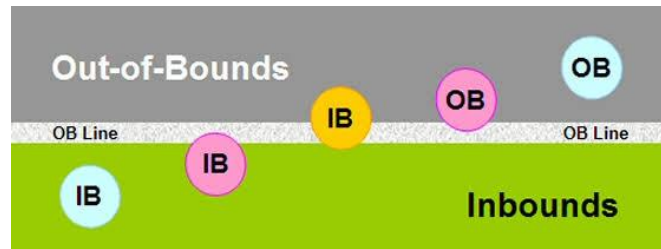

Teeing off - A player may not have any supporting point outside of the tee area at the moment the disc is released. Before or after the release is OK.

No alcohol is to be consumed during any round or play off.

The Black Ice Series are non-smoking events. There is no smoking or vaping on the grounds and buildings of the course. The only exception will be in the car park. Please be considerate of other people who may be in the car park. Any smoking/vaping outside this area will be treated in a similar vein to breaches of the PDGA Alcohol rules.

Hazard rule - player receives one penalty stroke and the lie is not relocated.

Lost disc drop zone - If a drop zone has been designated for lost discs on the hole, the player may throw from the drop zone instead of from the previous lie with a one stroke penalty.
