Viewpoint Golf Resort is located at the corner of Quarterline Rd. and Hawes Rd., in Mesa, AZ. The exact address is 650 N. Hawes. There is a large parking lot in front of the course Pro Shop and Fat Willys restaurant. It is open parking except for the 4 reserved spots for our Elite and Title sponsors. In the event the parking lot fills up, we will have overflow parking available in the lot northeast of the main parking lot. You will have to drive through the guard shack and the guard should be able to direct you. Please check your preferred map application before your drive and plan accordingly. Please car pool if you can!

Tee times will be posted on the PDGA event page this Thursday by 7 PM for all Pro and Amateur Divisions -<https://www.pdga.com/tour/event/94772> Please double check tee times the night before and morning of the event in case there are any last minute drops or changes.

*****All players must check in 10 minutes before their scheduled tee time at the appropriate Starter table under the canopy on the course patio. There will be separate starters for the AM course and Long course. Failure to do so will result in a 2 throw penalty.*****

This is a PDGA Sanctioned B-Tier event that is 2 rounds for all Pro Divisions and 2 rounds for all Amateur Divisions. All PDGA rules and guidelines must be followed. NO SMOKING of any substance in any buildings or on the property will be permitted. Violations will result in dismissal from the property and from the event.

The AM player pack contains a \$20 gift card from Disc Golf HQ. They have extended their hours on Saturday and Sunday to 9am-5pm. This will allow you to visit the store after your round and utilize your gift card! The store is only 4 miles away (a 9 minute drive). The address for the Mesa store is 6060 E. Brown Rd. #107. They have increased their inventory just for us. Check them out!

Scoring

The PDGA Digital Scorecard is the official scorecard for this event. The PDGA Digital Scorecard can be found at www.pdga.com/score or we highly recommend that you download the free PDGA Live app in the Apple App Store or Google Play. The app not only allows you to keep score in tournaments, but it all allows you to follow live scores and search the PDGA rules. The event passcode will be given out at the Starter Tent. We also have a caddie book (see below). IF THERE IS A DISCREPANCY BETWEEN LIVE SCORING AND THE CADDIE BOOK, LIVE SCORING **ALWAYS TAKE PRECEDENT**. Lastly, PLEASE check-in with your starter at the conclusion of the round. We need to make sure all scores have been properly recorded before you leave the property.

Caddie Books

Jamie has done an incredible job on the two caddie books. You can access the AM caddie book through DGS <https://m.discgolfscene.com/tournament-docs/98417/disc-golf-hq-open-2456-am-caddie-book-dghq-open.pdf> and the Long (Pro) Course caddie book through DGS <https://m.discgolfscene.com/tournament-docs/98417/disc-golf-hq-open-2463-pro-caddie-book-dghq-open.pdf>. We HIGHLY recommend you download the appropriate caddie book to your phone, so you have it during the round.

Layouts

FA40, MA50, FA50, MA60, MA65, MA2, MA3, FA3 will all play the AM Layout.

MPO, FPO, MP40, MP50, FP50, MP60, MP65, MA1, MA40 will play the Long (Pro) Layout.

In the case of a tie for 1st place, there will be a Sudden Death playoff. The Long (Pro) course will be holes 1, 2, 3 and 4 until resolved. The AM course will be holes 1, 2, 17 and 18 until resolved

"Step and Repeat"

We will have our 8' X 10' Step and Repeat set up so you can take pictures with your card or anyone else for that matter. It will be somewhere near the patio for the entire event. All awards will be presented in front of it.

Fat Willys

The restaurant is onsite and features a full bar and a great breakfast and lunch menu. They have created a couple of specials for us. They will be displayed on the patio. You can get one of the specials or order anything you would like from the menu. Let them know you are in the tournament!

The Courses and Misc Stuff

We are playing on temporary golf courses on a ball golf course. As such, we must respect the natural settings of the property. We have done our best to position tee pads on level ground. Most of them are on grass with a few on the cart paths. We apologize in advance for the few that are not as perfect as we would like.

We have 2-10 gallon water jugs positioned on each course. There is also water at the golf course bathrooms on the course. Be sure to bring a re-useable style water bottle like a Hydro-flask with you.

We will be using the ball golf driving range as the warmup area. We will have the throwing area marked with a couple of signs. We will have two practice baskets, and if you don't feel like shagging your warm-up throws, we will have a net set up as well. This area will be available for Friday's practice round and throughout the weekend. The driving range is directly west of tournament central down the cart path. Staff will be on-site to help with directions.
