General OB Notes:

- ***On holes in which cart paths play OB, the outside edge of the cart path is the OB line. This is the side closest to the bushes, away from the fairway. If your disc lands in the middle of a cart path, it is deemed in bounds. If cart path is not mentioned on a hole, it is NOT OB.***
- ***All pink flags are OB lines. Most holes have them, along the edges of blackberry bushes and fairways.***
- ***Pool A is playing all the BLUE flagged tees.***
- ***Pool B is playing all the ORANGE flagged tees.***
- ***Golf greens play OB. The edge of the fringe begins the OB line. Our temp hole 9 is really the only one that comes into play.***

1. Over the cart path right is OB. (on cart path is in bounds, you must cross all the way over the path to be OB. This is the case for any cart path listed OB).
2. Over cart path left/long is OB.
3. Over cart path right/long is OB.
4. Over pink flag line left is OB. Over pink flag line right is OB. Cart paths are NOT OB on this hole.
5. Over cart path right is OB. Over pink flag line left/long is OB.
6. Over cart path left is OB. Over pink flag line right is OB.
7. No OB.
8. Over pink flag lines left & right is OB.
9. Over cart path left is OB. Over pink flag line long is OB. (OB Cart path on left side ends and becomes pink flag line directly behind the basket.)
10. Over cart path right is OB. Over pink flag line left is OB. Cart path right ends, and becomes pink flag line which wraps right and long of basket, also playing OB.
11. No OB.
12. Over pink flag line left/right/long is OB.
13. Over pink flag line right is OB.
14. Over pink flag line left/right is OB.
15. No OB.
16. No OB.
17. Over pink flag line left is OB. Over cart path right is OB (for first half of hole). Cart path and pink flag line adjoin about halfway down fairway (where cart path enters middle of fairway). When these adjoin, Over flag line right is OB (the rest of the cart path is in bounds, through middle of fairway).
18. Over pink flag line left/right/long is OB.
