

DIEPPE FUN DOUBLES 2025

PRESENTED BY

Welcome to the 2025 Dieppe Fun Doubles Presented by Little Caesars Pizza & JOMA Engineering Group

Welcome, everyone! We're thrilled to have you join us for the 2025 edition of the Dieppe Fun Doubles. This year's event features the fan-favorite Safari Layout with a special 19-hole design.

The Fun Doubles is our annual fundraiser, and every dollar raised goes directly toward course improvements and enhancing Dieppe Open 2026. Thanks to the incredible support from the City of Dieppe and our dedicated volunteers, Dieppe DGC has never looked, or played, better.

2025 has been an incredible year for us. We hosted New Brunswick's first-ever A-Tier, the Dieppe Open 2025, which welcomed more than 170 players from across Canada and the US. We also had the privilege of participating in Jeux de l'Acadie 2025, a major cultural and sporting event celebrating Acadian youth. And perhaps the most exciting achievement of all...we were officially awarded the honor of hosting the 2027 Canadian National Disc Golf Championships!

Course upgrades completed in 2025 include a brand-new Hole 13, a challenging dogleg on Hole 15, a reimagined layout merging "Old 16" and "Old 17," and a redesign to Hole 18. We also made major strides in drainage improvements and tree maintenance across the course.

Looking ahead to 2026, we'll continue our mission to beautify and refine the course to provide the best player experience possible. Our marquee event, Dieppe Open 2026, will once again be an A-Tier and is expected to welcome around 250 players from across the country and beyond.

None of this would be possible without you: our players, sponsors, and volunteers. Every time you sign up for an event, sponsor a hole, or grab a raffle ticket, you're directly helping grow disc golf in Dieppe and the entire disc golf community.

Thank you for supporting the event, contributing to the raffle, sponsoring holes, and giving your time. Whether you're here to compete hard or just have fun, we hope you enjoy your rounds and help us continue building something special at Dieppe DGC.

TOURNAMENT INFORMATION Tournament Format Best Disc, Alternate Tees

In a "doubles best disc, alternate tees" format, both players on a team throw from their designated tee, but only one of their throws is chosen as the team's next shot. This is the "best disc" part, meaning the team selects the better throw to continue play. From that point, both players throw from the spot of the chosen disc.

The "alternate tees" part means that the two players on a team alternate who throws first on each hole. For example, one player will throw first on the oddnumbered holes, and the other player throws first on the even-numbered holes.

Best disc, alternate tees will apply to BOTH ROUNDS
