# Zuidrand Zandbergen Challenge

**Caddybook**

We are proud to welcome you to the **4th edition** of the legendary Zuidrand Zandbergen Challenge tournament that started it all for **Disc Golf Club Zuidrand**. What began here in Park Zandbergen has grown into the vibrant community we have today, and this event remains, first and foremost, a **celebration of our club members**. Without your enthusiasm and support from day one, none of this would have been possible.

Of course, we are just as excited to also welcome our many friends and supporting players from outside the club. Together, we'll enjoy **two rounds** on our beautiful home course, Park Zandbergen.

As always, we ask everyone to:

**Respect and care for each other** on the fairways.  
Be mindful of **other park users** throughout the day.  
Treat the course and environment with the respect they deserve.  
Most importantly: relax, have fun, and enjoy the spirit of disc golf in great company.

- ▶ On this hole, the left side is considered OB if your disc comes to rest on or down the slope.
- ▶ The OB area will be clearly marked with flags to help with visual judgment.
- ▶ In case of uncertainty, the benefit of the doubt goes to the player – if it's not clearly OB, it is considered in bounds.
- ▶ If your disc is OB, your next throw is played from the last point where the disc was in bounds, with a one-stroke penalty.

## Hole 5 – No OB

### Casual Water – Blue Area in Front of the Basket

- The blue area in front of the basket is a small, shallow pond that may occasionally contain water. If there is water present and your disc lands in it, it is considered Casual Water.
- In that case, you may take free relief and play your next shot from behind the water, on the side closest to the tee pad, keeping the basket and your disc in line. If the area is dry, simply play your lie as it is.
